Mentor – Mentee Report 2020-2021

Mentoring programme is conducted to help the students to strengthen their varied capabilities and to build an interpersonal relationship between the teachers and students. Each teacher in all departments is assigned with the task of mentoring to students. The mentoring programme is monitored by a committee consisting of the Principal, and a band of experienced faculty. This year due to pandemic our focus was more on giving moral and value based education to the students. The guidance to mentees on using technology on the safer side. Understanding on the health and hygiene aspect. To developed strong social relationship with seniors by interacting with various clubs, cells and committees as they may become a future reference to their jobs.
