OUTREACH PROGRAMME ON 4TH March'21 at 3.00pm

"Don't forsake me now when my strength is failing" Psalms: 46:4

"Now that I am old and my hair is grey, don't leave me, God. I must tell the next generation about your power and greatness. Psalm 71:18-19

Old age is a blessing from the Lord. We should never be afraid of aging. Christians have a responsibility to show kindness, respect, and to take care of the elderly. Yes we have to respect all people, but there is a certain type of respect that we give to the elderly unlike our own age group. There is a certain way we talk to them and give honor to them. When living by the Word of God old age brings wisdom that is able to help and guide the young generation in need.

The AICUF team of St. Anne's Degree College for Women in view of its mission visited the Little sisters of the poor - Home for the Aged #26 Hosur Road, Richmond Town, Bangalore on 4th March'21 at 3.00pm and spent time leisurely with the elderly and aged people. Ms. Marina the AICUF Co-ordinator and Sr. Shiji, Faculty along with the AICUF Council members visited the Home for the aged. AICUF budget was utilized to get refreshments for the Elderly people in the home. Faculty and Students interacted with them, listened to their grievances and gave few suggestions and counseled them to imbibe a positive spirit. The outcome of the event enlightened the young minds of the AICUF team to do more such visits to encourage and motivate the elderly with a strong attitude.

Best practice I

1. Title of the Practice: *Mother Gnanamma Fund – 'A day A Rupee'*

2. Objectives of the Practice (100 words)

Mother Gnanamma Fund – A day A Rupee scheme was formulated to provide the financial support for the needy and help them to fulfill their basic need for their day to day life. The scheme is 'committed to change lives'. The main objective of the scheme is to help the truly needy people who find difficult to meet with their basic requirements for their life. It has been observed that many people have been affected by impact of COVID 19.

3. The Context (150 words)

The Mother Gnanamma Fund initiative has been conceptualized to provide financial support to poor and needy. The scheme aims to reach various causes of community in order to improve the society. The Mother Gnanamma fund in 2020-21 was utilized for distribution of food and provisions for Chikka Nayakanahalli, C.K.Pura, Nayakanattythanda and Mangalavade village people in Pavagada from 20th December to 24th December 2020. The fund has also been further utilized to construct a new house for Ms.Chandavi & family in Pavagada. The sisters of society of St. Anne has identified this person who is in real basic need of a proper building for them to reside. On 14th January 2020, the society promised the family to construct a new house and the accordingly the same was completed in a short span of time.

4. The Practice (400 words)

The scheme was designed to raise a specific amount of money to meet the cause. The college has taken initiative to impart the value among students to be more philanthropic by introducing "A day a rupee scheme". Every class is provided with a donation box for the students to drop a rupee a day. Student volunteers under the guidance of class teachers collected one rupee from every student on daily basis. Apart from this faculty members, Principal and college management also contribute certain amount towards the fund for each semester. The fund collected will be utilized for the persons who are in need of help.

5. Evidence of Success (200 words)

The scheme has helped several families in their hard times during pandemic. The distribution of provisions aided them to have a proper meal for certain period of time. Apart from that Ms. Chandavi & family in Pavagada were also satisfied and had a safe feel to lead their day to day life in their own residence.

Since it is not possible for every individual to support the needy, this initiative of joining hands together by contributing a very small amount was a great victory. Every benefactor had a pleased feel that even their small contribution has helped to serve for the society.

6. Problems Encountered and Resources required (150 words)

The scheme required only the generous hearts to raise funds and not any physical properties or requirements to attain the objective. There was a problem in identifying the real needy people who is in sought of help. We had to really work to find the beneficiary of the scheme. Another major problem was that due to pandemic it wasn't possible to collect appropriate funds as per the practice and scheme (A day a rupee) from the students.
