GUEST LECTURE

2020-2021

Sl. No.	Date	Venue	Topic/Department	Name of the Guest Lecturer	Designation	Total number of students participated
1.	01.03.2021	Cisco Webe x Online mode	Role Of Intellectual Property Rights In Scientific Research	Dr. Shailaja .M	Assistant professor, Department of Mathematics , GFGC, Vijayanagar, Bangalore-560104	27

Outcome

1. Students understood the availability of intellectual property protection for ideas and research
2. The main regimes discussed were copyright, patents and confidential information, although designs may also be relevant. Students were enriched with this knowledge.
3. The resource person gave an outline of the broad conceptual bases of protection and highlighted the relevant threshold criteria.
4. The intellectual property rights in scientific research forces scholars to consider not only various competing theories of intellectual property but also the social norms that have traditionally governed claims of owner-ship in basic science
