Dear Sir / Madam

Greetings from Magic Bus India foundation.

About Magic Bus India Foundation:-

Magic Bus is an International social work organization headed at Mumbai working for past 22 years in 22 states across India for the holistic development of youth. Our main objective is to enhance the employability skills of youth along with the placement support. Magic Bus works with children and young people, taking them on a journey from childhood to livelihood and out of poverty. By enabling children to complete secondary education, delaying their age of marriage and equipping young people to be in jobs, we are helping move a generation out of the vicious cycle of poverty.

Magic Bus India Foundation is founded by Matthew Spacie in 1999, Magic Bus equips children and young people in the age group of 12 to 18, with the skills and knowledge they need, to grow up and move out of poverty. This takes them from a childhood full of challenges to a life with meaningful livelihoods. Since its inception, Magic Bus has transformed the lives of one million children and young people, helping them move out of poverty.

About our Connect with work (CWW) Program:-

Under this program, we are mobilizing candidates who are fresher's with Any UG degree (Without arrears and 2020 pass out). We provide 5 days (Total 24 hours) of free training on Life skills, Communication Skills, Interview skills, work readiness and Mock Interview. We also support them with 100% free placement assistance.

Currently our branches in Bangalore are located at Bommanahalli, Basaveshwara Nagar, JC Nagar, Kengeri, Konanakunte Cross & Koramangala.
