## Parents Teachers Report

(6<sup>th</sup> February 2021)

Parent Teachers Meeting has been organized for the first second and third year B.Com students of all the three sections (A,B & C) on 6<sup>th</sup> February 2021 between 9 a.m. to 12 p.m.

The HOD, class teachers and the subject teachers were present in the meeting; they met the parents and the discussions were extended to:

- Academic performance in various subjects.
- Internal assessment criteria.
- Giving awareness about the required attendance to attend the Bangalore University Exams.
- Punctuality to the college.
- Personal issues (if any).
- Feedback about the college.

The parents gave their suggestions on implementation of Electronic Messaging system which enables the parents to get aware incase if the child is not in campus and also to get to know about the child's percentage of attendance and internal marks.

### Mentor – Mentee Report 2020-2021

Mentoring programme is conducted to help the students to strengthen their varied capabilities and to build an interpersonal relationship between the teachers and students. Each teacher in all departments is assigned with the task of mentoring to students. The mentoring programme is monitored by a committee consisting of the Principal, and a band of experienced faculty. This year due to pandemic our focus was more on giving moral and value based education to the students. The guidance to mentees on using technology on the safer side. Understanding on the health and hygiene aspect. To developed strong social relationship with seniors by interacting with various clubs, cells and committees as they may become a future reference to their jobs.

**Topic:** Art Therapy

**Conducted by:** Mrs. Swathika H

**Content covered:**

The purpose of the therapy was to help one to reflect on their life. The facilitator initiated the session with a brief introduction to art therapy. The participants were asked to follow the below instructions:

1. Imagine walking in a forest surrounded by a lot of trees.
2. Choose a favourite tree and draw it on a sheet of paper.
3. Begin by drawing the roots of the tree and write the names of all the people who have played a vital role, supported and guided you in your life.
4. The next step was to draw the trunk of the tree and mention your strengths.
5. Draw the branches and leaves of the tree and mention the names of your friends and people who have stood by you in times of need.
6. Draw the fruits of the tree and mention your achievements.
7. Draw the fallen leaves on the ground and mention your failures

The purpose of this therapy was to make one reflect on their life and recollect the people who have helped and supported them during their journey. The facilitator mentioned that our failures should be viewed as a stepping stone for success and that one must always express gratitude, learn from our failures and work towards our goal.

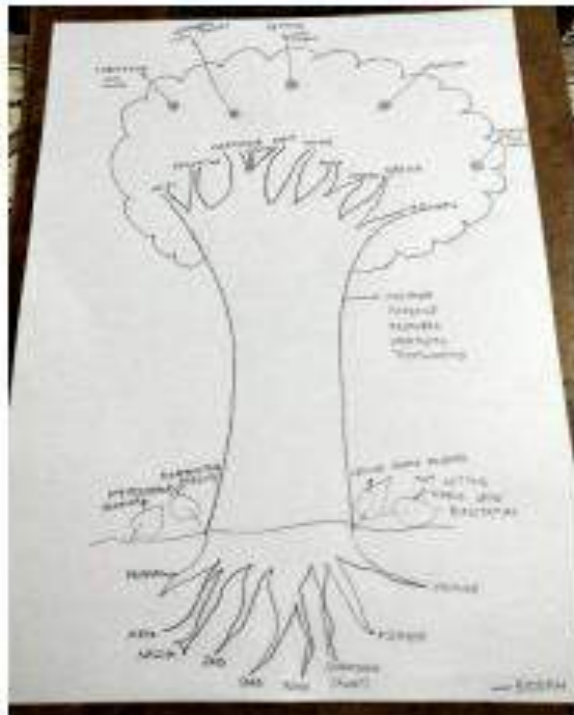

**Feedback of the session:** Participants enjoyed the session and mentioned that they were able to recall the memories shared with their friends and important people in their lives. It also helped them realise their strengths and weaknesses helping them work towards success.

**Topic: Control Journal**

**Conducted by: Mrs. Swathika**

**Content covered:**

The objective of the session was to help realise things that one can control and things one cannot control in their life. The facilitator instructed the participants to draw two concentric circles. The participants were provided with a set of statements which they had to categorize as:

Can be controlled by you

Cannot be controlled by you

The ones that can be controlled were to be written inside the inner circle and the ones that cannot be controlled were to be written inside the outer circle.

The purpose of this activity was to enable one to pay attention to things they can control and modify them rather than focusing and stressing on things that are out of their control.

**Feedback of the session:** Participants were able to understand things that they can control and to neglect the things which they cannot control. It also made them realise that things they need not stress on things that they cannot control and rather focus on modifying and paying attention to things they can control.
