### ALUMNI TALK SERIES: 1

“A true entrepreneur is a dreamer and not a doer, as quoted by Mark Twain is reminiscences here”

Alumni are the foundation of any Institution and act as torchbearers for the upcoming generation. Alumni Guest Lecture is a series of free lectures and talks by featuring speakers, often past alumni, who are excellence in Management and entrepreneurship skills. It's the most thought-provoking discussions, engaging topics and networking with other alumni. Alumni Guest Lectures brings the Alumni to discuss recent breakthroughs and discoveries, offering alumni and friends a chance to share ideas and interact.

In order to refine our BBA Students and give them a glimpse of the Corporate World, Alumni Talk Series was planned for the first time by the Department of Business Administration where senior Alumni interact with the present batches and guide them by sharing their experience and new trends in business.

The Alumni Talk Series was organized by the Department of Business Administration for the 1st Year, 2nd Year & 3rd Year BBA students on Friday, 16th October, 2020. The Inauguration of Alumni Talk Series - 1 started off with a Formal Inauguration followed by the Alumni Session via Cisco WebEx.

Ms. Shakthini, Process Associate in SCM, Tata Consultancy Services, Bengaluru from the class of 2017 was invited as the guest speaker. She addressed the students regarding the industry expectation on their domain expertise. The skills required to be acquired by the students in their domain was conveyed to the students. This was followed by a presentation on Customer Relationship Management. She also enlightened about the three mantras – dedication, determination and education to be successful in life and encouraged students to remain energized to perform well in the corporate world.

The session ended with interactive questions-answer round. A formal vote of thanks was proposed by Ms. Regina Lily Arthi Moses, Head, Department of Business Administration,

Students felt a lot wiser apart from having dual benefits of getting connected with the alumni as well as learning from her experiences.
