Introduction

Research is a scientific process and requires training and guidance. Research helps restore and protect memory and enhances mathematic and problem-solving skills. The whole process of research opens new doors of learning and literary growth. A person's learning capacity is improved and they can perform better in comparison who is reluctant to research. Research has an undeniable role in the business industry. Successful companies have resources invested in research and development to have all the information they need of the market. A workshop on “Art of Writing a Research Paper” was organized by the Department of Business Administration, for the students of BBA and other departments. The event commenced with a welcome address, followed by the speaker's session. Dr Meera B, Head, Department of Business Administration, SJR College, Anand Rao circle, Bengaluru, was the speaker for the session. The workshop focused on important areas of research. The activities included in the speaker's presentation made the session very interesting.

Highlights from the Workshop:

- Introduction to Research
- Importance of business research
- Meaning of research
- Presentation phases
- Importance of publishing research paper for students
- Structure of a research paper: Abstract, introduction/thesis statement, literature review, methodology, results, discussions, conclusions, reference and appendices.
- Purpose of the sections were discussed individually
- Example research papers presented
- Students came up with two research topics of their own.

Conclusion

The workshop was very useful and interesting for the students. The speaker engaged the session with a number of research activities and had included a lot of examples which tapped the curiosity of the students. The questions of the students were answered by the speaker at the end of the session.

Webinar Report

Topic : **“DEFECT TRACKING TOOL”**
Date/Timing : **29 th January 2022 at 10.00-12.00pm**
Platform : **Cisco WebEx**

Resource Person	Ms.Tharika Deepak, Project lead Synamedia India pvt.ltd
-----------------	--

The webinar was organized for all the three-year BCA students. 89 Participants attended the Program.

Ms. Shalini A S, II BCA, was the MC for the Programme. Welcome Address was delivered by Ms. Angel P, Student of III BCA.

Ms Tharika Deepak had been qualified MS (Computer Science). She has overall 11+ years’ experience in IT Industry.

The guest Speaker has delivered a lecture on the topic “DEFECT TRACKING TOOL”. She explained on the importance of why defect tracking tool is needed. A detailed introduction and overview about JIRA software was given in this webinar. JIRA is an incident Management tool used for Project Management, Bug Tracking, Issue Tracking, and workflow. Working of JIRA software was practically executed which made the session more interesting. Further students were taught the use of dashboard in JIRA software.

JIRA Software Displays issues from one or more projects, in a flexible way of viewing, managing and reporting on work in progress for teams that focus on managing and constraining their work-in-progress. Shows the cycle time or lead time for your product, version or sprint.

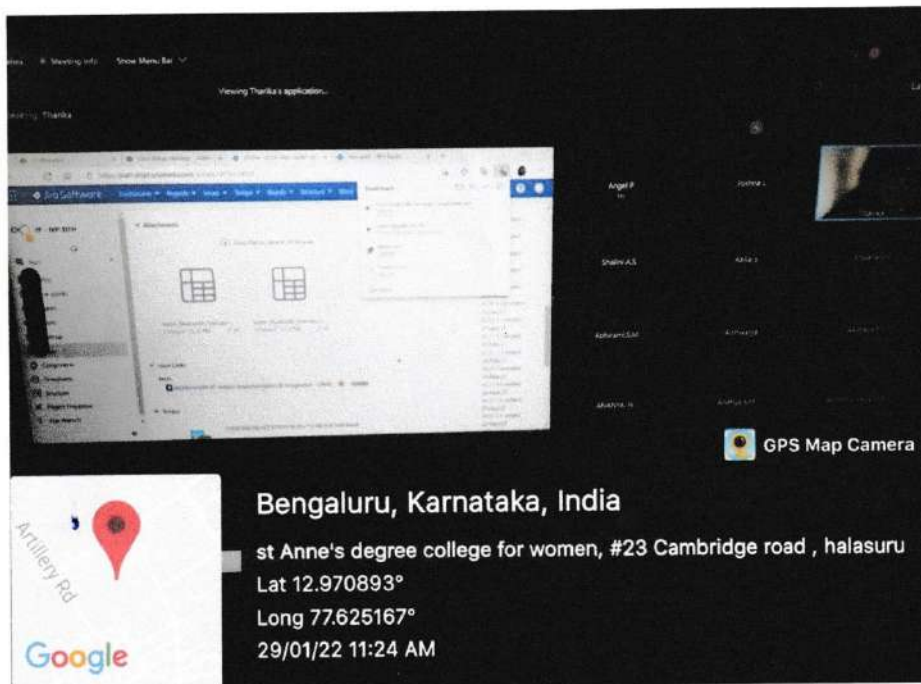

The speaker held an activity session where the students learnt how to describe the bugs in the devices and how to assign tasks in JIRA software.

The webinar was further enlightened by the interesting Question Answer session in the last which gave true colors to the webinar and gave chance to young innovators to speak their doubts regarding innovation and its protection.

She motivated the students to be more active and take up more live projects.

The webinar was ended with vote of thanks by Ms. Joshana I BCA Student.

Learning Outcome

- The main objective of conducting the event is to bring awareness on linear programming problem and its applications.
- Initiatives were taken to motivate, enthuse and inculcate a positive attitude towards learning various concepts in mathematics among the students.
- The following concepts were discussed where students learn to :
 - ❖ Formulate the LPP.
 - ❖ To find Solution of an LPP by Graphical, Simplex and the Big M Method.
 - ❖ Applications of LPP with optimization.

2.	Day: 2	Importance of Blooms Taxonomy
3.	Day: 3	Developing PEO, PSO, PO, CO
4.	Day: 4	Developing PO continued
5.	Day: 5	Rubrics for Assessment
6.	Day: 6	Attainment of Course outcomes and Programme outcomes
7.	Day: 7	Filling the Gaps in Curriculum

Objective:

The main motto to organize this FDP is to enable teachers to understand OBE and Bloom's Taxonomy.

Overview:

A Faculty Development Programme was organized by Internal Quality Assurance Cell (IQAC) in collaboration with Aadhyapana from 13.6.2022 to 20.6.2022 for the faculty of St Anne's Degree College for Women and Sacred Hearts Degree College (HAL). There were 70 enthusiastic participants in total. The program was enriching and intellectually stimulating for the participating faculty.

The Programme started with Welcome address by Prof. Nisha Joseph – Principal, St. Anne's Degree College for Women, who introduced the resource person and highlighted the importance and objectives of organizing faculty development Programme. Rev, Mother, Dr. Margaret Fatima Mary, Secretary and administrator, St. Anne's Degree College for Women, also was present during the program.

Day:1

The session began with the introduction to Outcome based learning. The Resource person, Dr. Maya Salimath, introduced the basic concepts of OBE to the faculty. She also explained the importance of OBE in higher education. The benefits of Accreditation and how it leads to quality education was also highlighted.

Day:2

Introduction to Bloom's Taxonomy was the first thing on the agenda for the day. Dr. Maya Salimath put light on the Bloom verbs and the application of those verbs. Blooms Taxonomy was introduced and the practical usage of the same was explained. Difference between NAAC and NBA was also a part of the day's agenda.

Day:3

The Resource person, Dr. Salimath, began the session with the explanation of difference between course outcomes and programme outcomes. With the understanding of CO's and PO's the faculty was encouraged to frame CO's and POs for their respective subjects. The day ended with the explanation of programme specific outcomes.

Day:4

To gain a hand on framing POs and Cos the Resource person insisted all the faculty to fame PO's and CO's of their respective subjects and they faculty were also informed to prepare PSO.

Day:5 The resource person for the day was Prof. Pavan Kumar Reddy. He began with the explanation of OBE frame work and the Assessment Network. The OBE parameter attainment pyramid was also discussed. The characteristics of assessment, involvement of assessment and evaluation were a few highlighted points

Day:6

The practical involvement of attaining the Programme outcomes and Course outcomes were explained by the Resource Person, Prof. Reddy. He also explained how to evaluate if the Programme outcomes and the course outcomes are attained. He explained the scale of attainment of the outcomes and practically made the faculty solve a few attainments problem. The faculty thoroughly enjoyed the session.

Day:7

The most enriching day of the FDP was the last day, Prof. Pavan Reddy stated with explanation of Assessment types. Direct Assessment and the Indirect Assessment were discussed. By introducing certificate courses, organising guest lecture and by value added programme the gaps in the curriculum can be filled were explained.

About the Institution

St. Anne's Degree College for Women was established in the year 2005 and administered by Society of Sisters of St. Anne-Madras with a vision "to provide humanizing and liberalizing education so as to form responsible citizens who in solidarity with others create a just society". The Foundress Servant of God Mother Thatipathri Gnanamma is a visionary and missionary who dedicated her life to enlighten and educate poor young girls in 1863 by starting an educational institution exclusively for girls. The Society of Sisters of St. Anne, Madras, has a long history of over 159 years in the field of education. The secret of the success in education is our proud historical legacy from where we derive our strength to face the challenges and grab the opportunities. Over the years, we have been marching ahead with new ventures and innovations in tune with the changing times.

The College is affiliated to Bengaluru City University and offers undergraduate programmes in Arts, Science, Computer Applications, Commerce and Management. It provides a vibrant student life, co-curricular and extracurricular activities and campus placement to the students which make this institution stand in par with the other institutions. Since a humble beginning in 2005, there has been no looking back and every year the College crosses new milestones. The College offers post-graduation programmes from 2017 onwards. In 2021 the College was accredited by the National Assessment and Accreditation Council with A Grade.

About the Conference

With global transformation and inevitable changes, understanding the dynamics and its applicability is of prime need for sustainability. This Conference aims to explore and understand the emerging trends in research among various disciplines and its dynamism and intend to inquire the underlying philosophies for deepening the knowledge on sustainable development.

It is an endeavor to transverse paradigms at various settings and diversify study on areas of inclusion, innovative mechanisms, impact and enhancements to foster integrity in research.
