Learning Outcome

On account of National Science Day Celebration the Department of Physics organized a guest lecture on “Magnetic Properties of Matter and its Applications”. The main objective of the lecture was to enhance students’ knowledge in the field of magnetism with latest discoveries of magnetic materials and its applications.

The guest lecture focused on the following concepts

- Introduction to magnetic materials
- Properties and types of materials
- The progress of industrial development and scientific growth
- Applications

Dear Madam,

Greetings from St. Anne's Degree College for Women

Sub: Requisition to be a Guest Lecturer.

With reference to the above mentioned subject we would be privileged to invite you as a guest speaker to our college on 28th February 2022 to deliver a lecture on the topic "**Magnetic Properties of Matter and its Applications**". It will be extremely beneficial for our students if the topic is focused on applications in our day to day life. Kindly accept our invitation and we are looking forward for your response.

With warm regards,

Yours Sincerely

Dear Madam,

On behalf of St. Anne's Degree College, we would like to thank you for your kind presence for sharing your valuable time to give a lecture on "Magnetic Properties of Matter and its Applications" in our Virtual Guest Lecture arranged on National Science Day, organised by the Department of Physics.

The presentation was highly effective. We believe that the knowledge you shared about properties of magnetic matter was very informative and will immensely motivate the students to develop interest in the field of magnetism. It was an honour for our institution to have you as one of the resource persons.

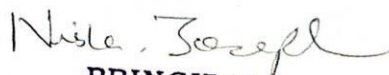

We appreciate you for sharing your professional skills and subject expertise with us. We look forward to your support in the future events.

Learning Outcome

- The main objective of conducting the event is to bring awareness on linear programming problem and its applications.
- Initiatives were taken to motivate, enthuse and inculcate a positive attitude towards learning various concepts in mathematics among the students.
- The following concepts were discussed where students learn to :
 - ❖ Formulate the LPP.
 - ❖ To find Solution of an LPP by Graphical, Simplex and the Big M Method.
 - ❖ Applications of LPP with optimization.

DEPARTMENT OF COMPUTER APPLICATION

Webinar Report

Topic : “DEFECT TRACKING TOOL”
Date/Timing : 29 th January 2022 at 10.00-12.00pm
Platform : Cisco WebEx

Resource Person	Ms. Tharika Deepak, Project lead Synamedia India pvt.ltd
-----------------	---

The webinar was organized for all the three-year BCA students. 89 Participants attended the Program.

Ms. Shalini A S, II BCA, was the MC for the Programme. Welcome Address was delivered by Ms. Angel P, Student of III BCA.

Ms Tharika Deepak had been qualified MS (Computer Science). She has overall 11+ years' experience in IT Industry.

The guest Speaker has delivered a lecture on the topic “DEFECT TRACKING TOOL”. She explained on the importance of why defect tracking tool is needed. A detailed introduction and overview about JIRA software was given in this webinar. JIRA is an incident Management tool used for Project Management, Bug Tracking, Issue Tracking, and workflow. Working of JIRA software was practically executed which made the session more interesting. Further students were taught the use of dashboard in JIRA software.

ST. ANNE'S DEGREE COLLEGE FOR WOMEN

JIRA Software Displays issues from one or more projects, in a flexible way of viewing, managing and reporting on work in progress for teams that focus on managing and constraining their work-in-progress. Shows the cycle time or lead time for your product, version or sprint.

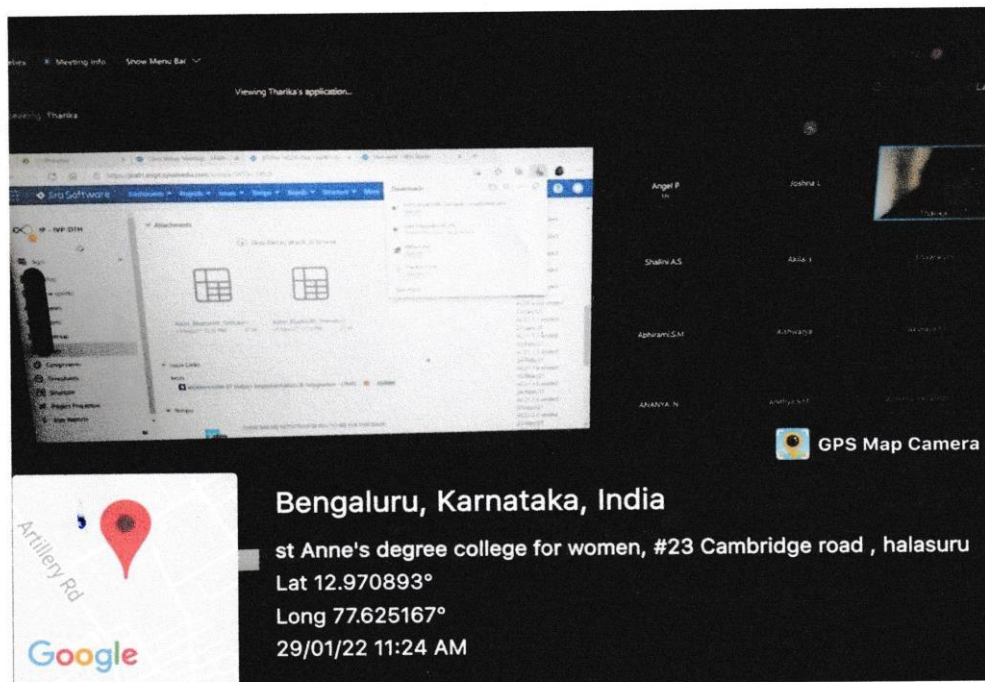

The speaker held an activity session where the students learnt how to describe the bugs in the devices and how to assign tasks in JIRA software.

The webinar was further enlightened by the interesting Question Answer session in the last which gave true colors to the webinar and gave chance to young innovators to speak their doubts regarding innovation and its protection.

She motivated the students to be more active and take up more live projects.

The webinar was ended with vote of thanks by Ms. Joshana I BCA Student.

SKILL ENHANCEMENT COURSE REPORT

Date: 4th June 2022 to 12th August 2022
Time: 11:00 AM to 1:00 PM
Topic: "JEWELLERY DESIGNING"
Venue: A V Hall

Resource Person: **Ms. Rahila Begum, M. S**
Dept. of Mathematics,
St. Anne's Degree College for Women

No. of students participated: 73

Skill Enhancement is of utmost importance for the success and survival of every individual, keeping this in view, the Management gave students of first year B. Sc., (PMC) and BCA, the opportunity to enhance their skills in **JEWELLERY DESIGNING**.

On 4th June 2022, the students from 1st year B.Sc[PMC] and 1st year BCA had showed interest and gathered together to enhance their skills in jewellery designing. The session started with a theory class on Jewellery Designing, various topics related to jewellery were discussed, such as:

1. History and Origin of JEWELLERY
2. JEWELLERY across the world
3. Impact of JEWELLERY making on society
4. JEWELLERY market
5. ENTREPRENEURSHIP on JEWELLERY making and much more...

And this session went on for about two hours. As a continuation, the other sessions were conducted on Saturdays each of two hours from 11th June to 12th August 2022.

In the later sessions, the tutor Ms. Rahila Begum formed groups within the students and guided them from the basics of jewellery and instructed them to indulge in jewellery making practically. She explained briefly the STEP-BY-STEP procedure in making perfect and beautiful jewellery and took interest in teaching to each and every individual group.

The session up skilled the students in making **earrings, necklace, bangles, etc.**, out of **quilling paper and skill thread**. The Students actively took part in learning, acquiring, teaching other students and sharing their creativity and successfully completed their sessions by learning something new and surely had some take away from their sessions.

It was the day to exhibit their handmade jewellery with their uniqueness in ideas or in accordance with their creativity or imagination. On **12th August 2022**, the students were allowed to have their respective handmade Jewellery stalls at the **college quadrangle** on the occasion of “**75th Azadi Ka Amrit Mahotsav**” with the theme “**KHADI GRAMODYOG**” by letting them to sell their hand designed products in desirable prices in exchange with the interested guests/customers.

The students were so excited that their handmade jewellery would get sold within the next three hours of opening their stalls. The secretary & administrator **Rev. Sr. Dr. Fatima Mary, Sr. Prema**, Principal **Prof. Nisha Joseph**, the students and teachers from St. Anne's school, PU college and degree college, the Non-Teaching staff had visited the stalls and participated in purchasing the products prepared by B.Sc., (PMC) and BCA students. The products were so loved by the guests or customers, that some of them gave bulk orders, got pre-orders from the teachers and students as well.

REPORT

Exhibition on ECO Friendly Products

On 12th August 2021- An Exhibition was held on the occasion of Independence day theme" Azadi Ka Amrit Mahatosav" where students of B.B.A,B.Com and BA exhibited handmade products. The products were an outcome of the Skill Enhancement Programme organised by ECOCLUB and awareness talk was organized on the topic "PLASTIC AWARENESS" by Prof. Nisha Joseph and Jewellery Making Workshop by Ms Rahila. One hundred and fifty students and five staffs were informed about the grave dangers of using plastics and its effects on Air, Water and Land pollution. The solution to overcome the excessive use of plastics was also imparted. The students also took an oath to Reduce, Reuse and Recycle to save the environment. An interesting demo on how to make cloth bags and designing with the vegetables in order to promote the alternative use of cloth instead of plastic was also conducted.
