The joy of giving is indescribable because it takes courage to give something from your life to others. It is not easy to do something for another person. The mere act of giving fills a person's life with joy and his own happiness multiplies. Christmas is not just a time of exchanging gifts, But also the season of goodwill, and can be a tough time for many people, including those who are homeless, recently bereaved, lonely or struggling to make ends meet. With this in mind, the AICUF unit of St. Anne's Degree College for women organized a fundraiser in the college campus. Staff and student volunteers helped in raising funds from the faculty and students to provide some basic necessities to the children in need, as part of the Christmas celebration.
