#### **Inauguration:**

"Come, let us sing for joy to the LORD; let us shout aloud to the Rock of our salvation" - Psalms 95:1

Shekhinah 2022 began with an invocation song in tune with the theme of the fest, which was performed by the college choir team to invoke Gods blessing.

"The light shines in the darkness, and the darkness has not overcome it" – John 1:5

Principal Prof. Nisha Joseph welcomed the august gathering by her welcome address.

### About the Institution

St. Anne's Degree College for Women was established in the year 2005 and administered by Society of Sisters of St. Anne-Madras with a vision "to provide humanizing and liberalizing education so as to form responsible citizens who in solidarity with others create a just society". The Foundress Servant of God Mother Thatipathri Gnanamma is a visionary and missionary who dedicated her life to enlighten and educate poor young girls in 1863 by starting an educational institution exclusively for girls. The Society of Sisters of St. Anne, Madras, has a long history of over 159 years in the field of education. The secret of the success in education is our proud historical legacy from where we derive our strength to face the challenges and grab the opportunities. Over the years, we have been marching ahead with new ventures and innovations in tune with the changing times.

The College is affiliated to Bengaluru City University and offers undergraduate programmes in Arts, Science, Computer Applications, Commerce and Management. It provides a vibrant student life, co-curricular and extracurricular activities and campus placement to the students which make this institution stand in par with the other institutions. Since a humble beginning in 2005, there has been no looking back and every year the College crosses new milestones. The College offers post-graduation programmes from 2017 onwards. In 2021 the College was accredited by the National Assessment and Accreditation Council with A Grade.

### Shekhinah-2022

'Lift up my eyes to the hills from where will my help come? My help comes from the Lord'. It is Psalm 121:2. It is a song of ascents. People of Israel as they climb up to the temple of the Lord- the Jerusalem, they sing songs. They have not yet reached the temple, but they can see the temple from afar and sing this Psalm assuring them that God will help them and protect them. This is the basic belief of every Israelites' that God will save them. Generation after generation, this faith echoes and re-echoes in every heart of the faithful.

In this fast-paced world, where indifference has grown in a humongous manner we must emphasize and encourage the act of helping people in need. No matter what the world dictates, extending a helping hand is always a better choice than indifference because we experienced that God is with us in all our endeavours.
