## RED CROSS UNIT Report 2022

### **International girl child day celebration by the Red cross unit of St. Anne's Degree College for women**

October 11, St. Anne's Degree College for women

International Girl child day event was organized with a mission to empower young girls of our college and raise awareness on the issues faced by young girls.

The event was held in the AV Hall with a fairly large and energetic audience.

The emcees from Department of Rehabilitation Science commenced the event with some powerful quotes surrounding empowerment. They introduced the audience to the theme of International Girl Child Day 2022 which is "Our time is now – our rights, our future."

The beloved principal Prof. Nisha Joseph addressed the gathering with a hearty and enlightening speech.

She presented various real-life examples and narrated the astonishing and very brave story of a courageous woman- Laxmi Agarwal who is an acid attack survivor and whose story reached the heart of millions through the movie "Chaapak." She went on to ignite the sparks in the hearts of our young audience by shedding light on the power of being a girl.

“It takes an athlete to dance, but an artist to be a dancer” was the opening statement to call the graceful dancers of B.com to perform the welcome dance.

After the lovely performance, Asst. Prof Vasantha Pillai who is the coordinator of the Red Cross Unit gave the audience an overview of the unit. In her presentation she included the Headquarters and objectives of red cross. Later she gave a brief introduction to the 7 principles of the Unit which were- 1. Humanity 2.Impartiality 3.Neutrality 4.Independance 5.Voluntary Service 6.Unity and lastly 7.Universality. She then went ahead and gave the audience a sneak-peak of the past events conducted by the Red cross unit.

Where words fail, Music speak- to add to the spirit of the event the students of BBA performed a soulful song.

Later Rev. Sr. Dr. Margaret Fathima Mary went on to address the gathering. In her address she first questioned the audience on their knowledge about red cross, the discussion further continued and she emphasized on the importance of confidence and boldness. She proudly spoke about the women of our country who serve as a role model to the youth. She spoke highly about our Honorable President Smt. Draupadi Murmu, First Governor Smt. Sarojini Naidu and many more. She then encouraged the audience to follow the core principles and purpose of red cross which is humanitarian service. She shed light upon the importance of service and the impact it has on our society.

Girls may face lots of issues in this world such as malnutrition, illiteracy, sexual harassment, child abuse, poor quality of life, gender inequality, domestic violence, constant oppression and so on. The students of BCA performed a truly remarkable skit which through dance and theatrics tried to put the audience in the shoes of a woman who goes through traumatic incidents like acid attack, gender inequality between siblings, unavailability of proper education etc. They portrayed two sides of the topic by showing how women can be business people and embrace their independence. The motto of the whole skit was to let girls choose their own path regardless of whether she chooses to be a model, business person a teacher or a wife.

Finally, Asst. Prof. Miss Madhu delivered the vote of thanks, thanking the dignitaries, all the members of the red cross unit and the very cheerful audience.
