Recognized by UGC under Section 2(f), Accredited with 'A' Grade by NAAC
ISO 9001:2015 Certified Institution
#23, Cambridge Road, Halasuru, Bangalore- 560008

Institutional Distinctiveness

St. Anne's Degree College for Women is the only college which offers B.Sc. Rehabilitation Science Programme

The under graduate programme Rehabilitation Science is a unique one offered by our college. We take pride in being part of designing the curriculum, the course frame and regulations to institute this programme in the Bangalore City University as it was never been offered by the university. There were no graduate level courses in rehabilitation in the whole state of Karnataka and even today ours is the only college which offers BSc. Rehabilitation Science.

It also aims to educate and enlighten the knowledge among the students as socially responsible citizens by providing an opportunity to serve the children with special need and disabled.

In view of the vision & mission of the programme the Department of Rehab organized various activities:

- World disability day
- Autism awareness day
- Autism awareness programme for parents
