Report on Admission Orientation

Date: 18th April 2022

Time: 10:00 AM to 12:30 PM

Total number of Participants: 08

Faculty: 02

Students: 06

Orientation is often considered to be a mandatory part of college enrollments; a rite of passage required to enter the hallowed halls of academia. While the PU students were all set up to take up their examinations, the department of BBA took this opportunity to give a small orientation of the BBA course. A team of student volunteers actively participated in the event. Charts on various important aspects like department activities, business skill development courses, job opportunities after BBA, placements and alumni were displayed for this purpose. Department students and faculty interacted with the PU students and collected details of around 19 students.
