Report of Anti-Ragging Committee on "Body shaming"

2022-2023

Anti-Ragging Committee, St. Anne's Degree College for Women conducted an awareness program on the topic "Body shaming" to 1st year students of batch "2022-23" on 19th December, 2022. The main object of this program is to have completely ragging free campus and well as to humiliating an individual by negative committee about their body size or shape.

On the topic "Body shamming" students of 2nd B.com enacted a play and showed how body shamming will negatively impact on the students by criticising appearance with another person. Body shamming would lead to an eating disorder, depression or worse. Students concluded the pay with a message of practising self-love and try to not let negative comments. Entering a negative cycle of comments does not do any good. Take control and Stay Positive.

2. Cervical Health Awareness Session

The month of January is observed as 'Cervical Cancer Awareness Month', the Health Club in collaboration with IQAC and in association with D S Research Centre organized "Cervical Health Awareness Session". Dr. Divya, and Ms. Geeta Dietician from D S Research Centre delivered an awareness session on 30th of January 2023 between 11:45-12:45pm in room 53 to educate our students of young minds and raise awareness about cervical health.

Understanding Women's health issues related to Cervix also known, as Birth Canal cannot be ignored anymore. Presence of abnormal cells in Cervix increases the risk of Cancer development in Cervix. The purpose of this session is to give valuable awareness and understanding of cervical cancer, its causes, and the importance of early detection, HPV vaccination and to save as many Lives as possible. She also stressed on the importance of vaccines for human papillomavirus or HPV infections.

Ms. Geeta, Dietician from D.S. Research Centre emphasized on dietary changes, especially to avoid on sedentary foods and adopt health food habits that can lower cancer risk substantially.

By understanding the causes and risk factor through the Trusted Source from this session, our students can take steps to lower their risk of developing cervical cancer. They can also learn how to recognize the symptoms and seek support. It was a good opportunity for understanding the conditions on cervical cancer, ways of sharing information and resources with friends, family and close community around them. Overall the session proved to be very informative and interactive among students with concerned resource persons.

A Blood Donation Camp was organized in our college. The program was organized by National Service Scheme (NSS) and Red Cross unit. It was inaugurated by Rev. Sr. Margaret. Dr. Fatima

Mary Secretary, Sr. Imelda Rani, Administrator and Prof. Nisha Joseph, Principal.

Doctor Dr. Suresh from Kidwai Memorial Institute of Oncology gave their services in the blood donation Program. All the people filled out the form before donating blood.

Kidwai Memorial Institute of Oncology which successfully collected **57** units of blood from our

College staffs and students and finally the volunteers gathered and helped Kidwai Memorial

Institute of Oncology to wind up their things and with this the blood donation camp came to an

End by 3:00pm

The campaign was a huge success with the active participation of the volunteers and the support

Of their program officers. The volunteers and staff encouraged students for donating the blood, It

Inspired their fellow volunteers and students with their noble gesture.
