Mentor-Mentee Report
2022-2023

Mentoring program is conducted to increase the self-confidence & self-awareness in students as well as to build a good interpersonal relationship between teachers and students. Every third Saturday of the month is allocated for mentor-mentee session. Each teacher in each department is assigned with mentees to be mentored. A committee consisting of the principal and experienced faculty monitors the mentor-mentee program. A mentor in this process helps the student grow their skills, make better decisions, and gain new perspectives on their life and career. The students also get an opportunity to interact with their seniors through various clubs and committees about various aspects.

REPORT ON 'MYTH BUSTING SESSION ON COUNSELLING'

Introduction:

This report provides an overview of the "Myth Busting Session on Counselling" held on 21/12/22 at ST. Annes Degree College, Halasuru. Ms. Rosemol, Assistant Professor, Department of Psychology was the Facilitator. The session aimed to address misconceptions and eliminate myths surrounding counselling, promoting a better understanding of its purpose, benefits, and role in mental health and well-being.

Objectives:

- a. To debunk common myths and misconceptions about counselling.
- b. To educate participants about the purpose, benefits, and process of counselling.
- c. To reduce stigma and encourage a positive attitude towards seeking professional help for mental health concerns.

Participants:

The session was attended by BA and BSc First Year Students from ST. Annes Degree College for women, Halasuru.

Session Content and Activities:

- a. Introduction: The session began with an introduction to the importance of mental health and the role of counselling in supporting individuals' emotional well-being. The facilitators

emphasized the need to address myths and misconceptions surrounding counselling.

b. **Myth Busting:** The core of the session focused on identifying and debunking common myths associated with counselling. Facilitators addressed myths such as "Only 'crazy' or 'weak' people need counselling," "Counsellors will judge or criticize me," and "Counselling is only for severe mental health issues." Each myth was systematically debunked using evidence-based information and real-life examples.

c. **Purpose and Benefits of Counselling:** The session then provided an in-depth understanding of the purpose and benefits of counselling. The facilitator explained that counselling aims to provide a safe and confidential space for individuals to explore their feelings, thoughts, and concerns. She highlighted the benefits of counselling, such as improved self-awareness, enhanced coping skills, and better mental and emotional well-being.

d. **Process of Counselling:** Participants were informed about the typical process of counselling, including the initial assessment, goal-setting, and the use of various therapeutic techniques. The facilitator clarified that counselling is a collaborative process where the counsellor works together with the individual to develop personalized strategies for addressing their concerns.

e. Q&A and Discussions: Throughout the session, students were encouraged to ask questions and engage in discussions. This allowed for the clarification of doubts and facilitated a deeper understanding of counselling and its practical application.

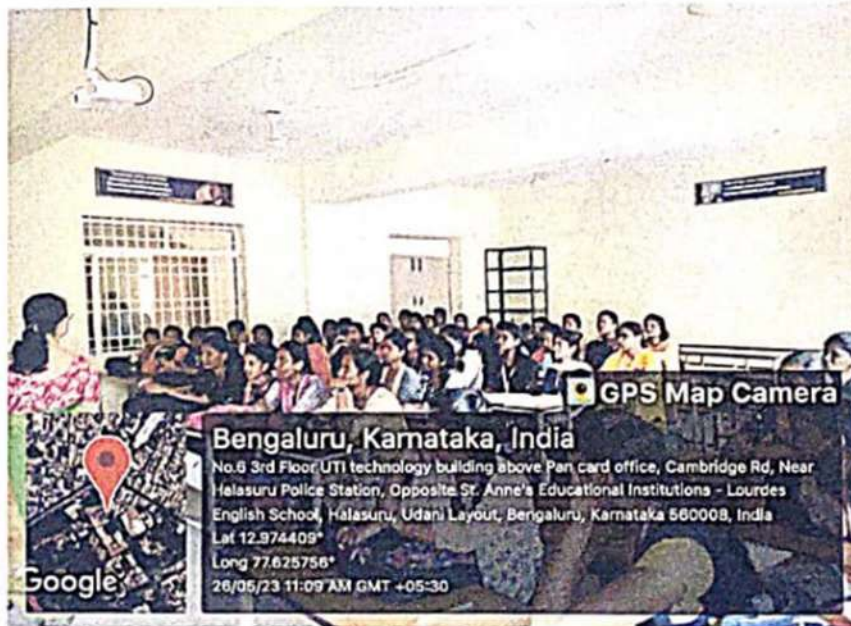

Feedback and Evaluation:

At the end of the session, participants gave feedback on the session.

Conclusion:

The "Myth Busting Session on Counselling" effectively debunked common myths and misconceptions surrounding counselling. By providing accurate information and addressing participants' concerns, the session aimed to reduce stigma and promote a positive attitude towards seeking professional help for mental health concerns. The interactive nature of the session allowed for engagement and facilitated a better understanding of the purpose, benefits, and process of counselling. The positive feedback received from participants indicates that the session was successful in dispelling myths and fostering a more informed and supportive community attitude towards counselling.

REPORT ON 'AWARENESS SESSION ON HYGIENE, SOCIAL MEDIA USE AND DRUG USE AMONG STUDENTS'

Introduction:

The following report provides an overview of the "Awareness Session on Hygiene, Social Media Use, and Drug Use Among Students" held on 26/05/2023 at St Annes Degree college. Ms. Swathi, Assistant Professor, Department of Psychology was the Facilitator. The session aimed to educate and raise awareness among students about the importance of personal hygiene, responsible social media use, and the risks associated with drug use.

Objectives:

- a. To promote good hygiene practices among students.
- b. To educate students about responsible social media use and its potential impact on mental health.
- c. To raise awareness about the risks and consequences of drug use among students.

Participants:

The session was attended by B com A & B Section students from St Annes Degree college.

Session Content and Activities:

- a. Introduction: The session began with an introduction highlighting the importance of personal hygiene, responsible social media use, and the adverse effects of drug use on physical and mental health.
- b. Hygiene Awareness: The first part of the session focused on promoting good hygiene practices, including regular handwashing, maintaining oral hygiene, and personal grooming. The participants

were provided with practical tips and demonstrations to reinforce these practices.

c. **Social Media Awareness:** The second part of the session aimed to create awareness about responsible social media use. The facilitator discussed the potential risks of excessive social media use, such as cyberbullying, privacy concerns, and its impact on mental health. Strategies for maintaining a healthy balance and setting boundaries were also discussed.

d. **Drug Use Awareness:** The final segment of the session addressed the risks and consequences associated with drug use. The facilitator provided information about different types of drugs, their effects on the body and mind, and the potential legal consequences. The participants were educated about the importance of making informed decisions and seeking help if they or someone they know is struggling with drug abuse.

Interactive Sessions:

To ensure active participation and engagement, interactive activities were conducted throughout the session. These activities included group discussions & role-plays. Participants were encouraged to share their experiences and ask questions.

Feedback and Evaluation:

At the end of the session, participants gave feedback on effectiveness and relevance of the awareness session.

Conclusion:

The "Awareness Session on Hygiene, Social Media Use, and Drug Use Among Students" successfully provided students with essential knowledge about personal hygiene practices, responsible social media use, and the risks associated with drug use. The session aimed to

empower students to make informed decisions and adopt healthy behaviours. The positive engagement and feedback from the participants indicate the effectiveness of the session in creating awareness and promoting positive change among students.
