## DEPARTMENT OF REHABILITATION SCIENCE INDUSTRIAL VISIT REPORT -2023

The Department of Rehabilitation Science organized an industrial visit to Mysuru. It was organised as a one day visit on 12<sup>th</sup> July 2023. All the three years students enrolled their names for the visit. Four faculty from our college along with 32 students had been for the visit.

The students and faculty gathered and around 7 the travel begun. Students were provided with breakfast at Hotel Shree Renukambha. Then the journey continued. The students enjoyed the view and scenic beauty while travelling.

The first destination was the Ranganathittu Bird Sanctuary. Students visited the Bird Park where they gained information about many birds in that locality. Inside the Park they were taken for the Boat Ride. The second destination was the St. Philomena's Cathedral . The cultural and religious diversity was felt. The third destination was the Chamundeshwari Temple. The rich heritage of India was seen in the architecture.

The students were taken to St. Mary's Hospital for the visit of Psychologically Ill people. They saw the wards of the patients and had time to interact with them. The person in charge guided the students and cleared doubts of the questions they asked. The last destination was to the Edmuri Falls. After the one day visit students were dropped at the college by 10:30 pm . Overall the students had both learning and fun in the trip. They viewed the rich culture and heritage of Mysuru and saw the scenic beauty of the Nature.

### VISIT TO ST. JOHNS -2023

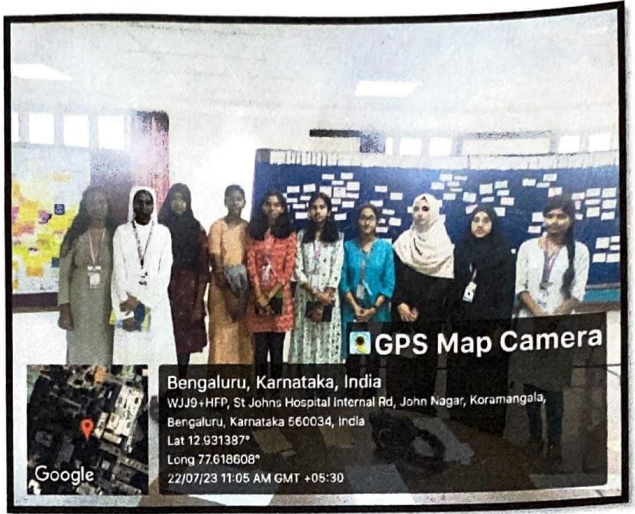

The 'mental health at the margins' exhibition was organised by Indian institute for human settlements in collaboration with sex workers community was organised in St. John's medical college, Bangalore on 22 July 2023 Saturday 10 students from 2<sup>nd</sup> B.sc (rehabilitation science) has visited the exhibit from 10:00am to 01:00 pm.

The exhibition included the psychological status of 06sex workers in Bangalore and their life stories, their view on sex work and how society treat them and some of the visual clips recorded as well as clicked by sex workers with the memories associated with their life. The exhibit also had a collection of books on gender discriminations, psychological needs of sex workers and life stories of sex workers exhibited by the researchers Dr. G Nancy Angeline, Dr. Neeti P and their team.

The exhibit had a great impact on the students in developing the knowledge about the mental health of the sex workers and the creative visualisation has helped in developing their skills of exhibiting ideas.

### **DEPARTMENT OF REHABILITATION SCIENCE OUTREACH PROGRAMME YEAR 2022-2023**

The Department of Rehabilitation Science, St. Anne's Degree College for Women, Halasuru conducted an outreach program on December 3<sup>rd</sup> 2023 to create awareness among School students, PU college students and a Rally for general public. The annual observance of the International Day of Disabled Persons was proclaimed in 1992 by the United Nations General Assembly Resolution 47/3. The observance of the Day aims to promote an understanding of disability issues and mobilize support for the dignity, rights and wellbeing of persons with disabilities.

The students of the department along with Faculties went to the St. Anne's School to create awareness and explain about the significance of December 3<sup>rd</sup>. It was followed by a short message regarding the disability.

The students prepared charts based on each of the disabilities with its information. The students went to each of the PU classes creating awareness and

explaining about each disability. The PU students understood and learnt the appropriate terms to be used for each disability.

As part of public awareness program, students went on a rally with placards marched to the streets near the Halasuru Police Station and created awareness to the public.

They stationed at Traffic Signal displaying their charts. This grabbed the public's attention and they had a positive response viewing the interesting information. Overall the students of Rehabilitation Science created an impactful day proving "Disability is a matter of perception".

Dance and a meaningful invocation song. It was then preceded by a word of Prayer followed by a speech by Prathima of III BSc. Rehabilitation Science .

Rev.Mother Margaret Fathima Mary gave an elegant speech for the gathering .Then the designated badges were awarded to student representatives of the Rehab Forum. Prof.Nisha Joseph through her speech created awareness on creating an inclusive society.

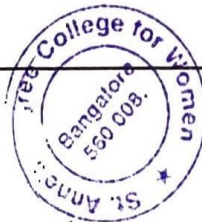

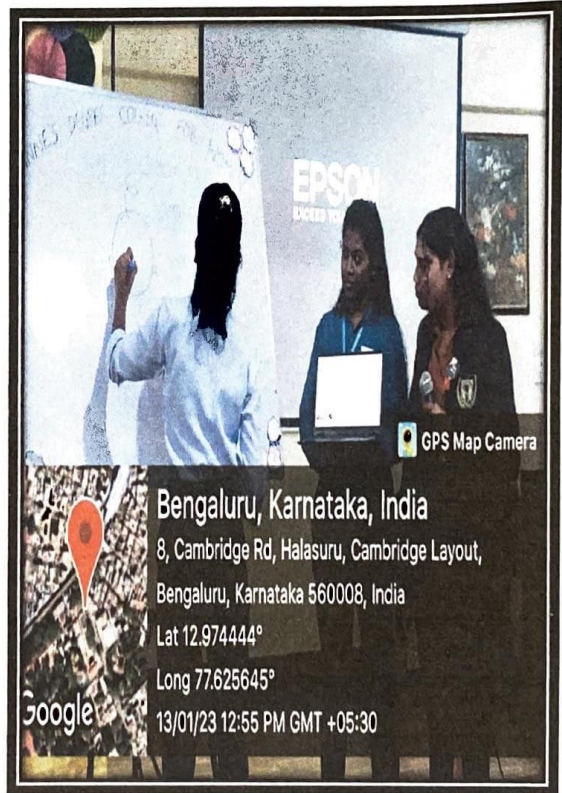

The event concluded with the Vote of Thanks by Varsha III BSc. Rehabilitation Science.The students of Rehabilitation Science rendered the National Anthem through Sign Language bringing out the significant importance of Being Human.

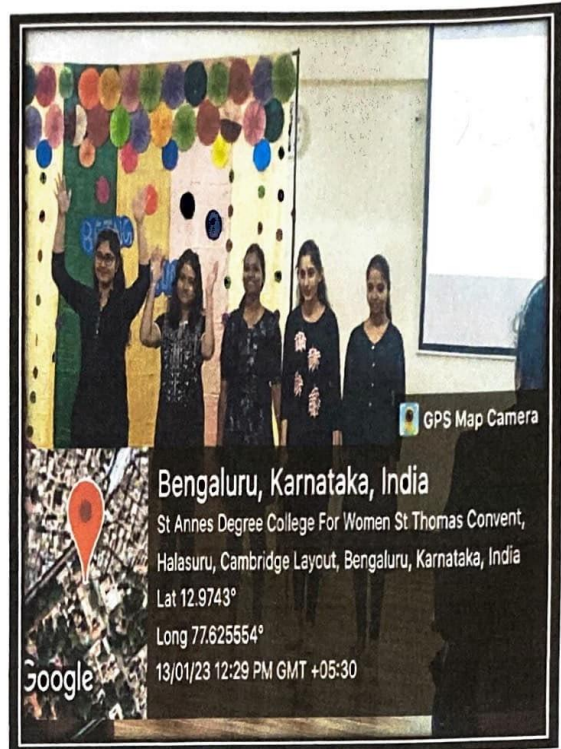

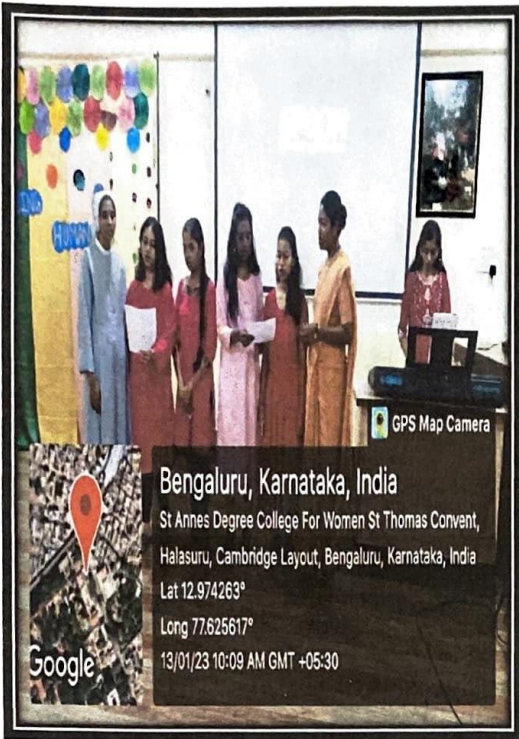

The later half of the programme started after a short break . The students emphasised the disabled society through a mime. Sanjana Desai rendered a poem on Disability which was followed a Drama which created an impact on the crowd. A meaningful Choreography was performed on Acid Attack and the difficulties faced by the victims. A Rehabilitation Science related game time was organised where the students enjoyed and learnt by participating.

This Fest was a great success as it created an impact , created awareness among the students present there. Thus “ People with Disabilities do not need to fixed; they need to be accepted for who they are”.
