## About the Institution

St. Anne's Degree College for Women was established in the year 2005 and administered by Society of Sisters of St. Anne-Madras with a vision "to provide humanizing and liberalizing education so as to form responsible citizens who in solidarity with others create a just society". The Foundress Servant of God Mother Thatipathri Gnanamma is a visionary and missionary who dedicated her life to enlighten and educate poor young girls in 1863 by starting an educational institution exclusively for girls. The Society of Sisters of St. Anne, Madras, has a long history of over 156 years in the field of education. The secret of the success in education is our proud historical legacy from where we derive our strength to face the challenges and grab the opportunities. Over the years, we have been marching ahead with new ventures and innovations in tune with the changing times.

The College is affiliated to Bengaluru City University and offers undergraduate programmes in Arts, Science, Computer Applications, Commerce and Management. It provides a vibrant student life, co-curricular and extracurricular activities and campus placement to the students which make this institution stand in par with the other institutions. Since a humble beginning in 2005, there has been no looking back and every year the college crosses new milestones. The College offers post-graduation programmes from 2017 onwards. In 2021 the college was accredited by the National Assessment and Accreditation Council with A Grade.

### **REPORT**

The LET US DREAM Conference was established to create better networking and collaboration among volunteers, potential volunteers, Philanthropists, and community organizations. Thereby empowering them is their diverse community improvement programs.

St. Anne's Degree College for Women is a young college which caters to the diversified student community to create a new and just society in par with the vision of the foundress Mother Thatipatri Gnanamma. The college is accredited by NAAC with 'A' grade and has received various Academic excellence awards and ISO certified. The College for the first time has collaborated with the "LET US DREAM" foundation to bring about the knowledge from research scholars, academicians, industrialists and practitioners to synergize improvements on community initiatives.

The main aim of Let us Dream is to mentor different communities for schools and colleges. each year focusing on personal development, interpersonal skills and leadership skills.

includes self-defense and more. Initially, she started the Anganwadi with 3 – 6 children with less amount of money in her hand, now she has an organization and gives education to many children. Her kind attitude of providing the basic need to the one who lack in it, and with the only intention of doing good to the needful for their future betterment is what inspires others.

GOUSIYA SULTANA strongly believes that when we give 100% of the work, the nature somehow returns it.

### ➤ Indumathi - Social

Ms. Indumathi is a former waste picker who worked in dry waste collection centre. Now she is an entrepreneur managing dry waste collection in 3 wards of Bangalore. She creates awareness about waste segregation and maintain liaison with residents. Through partnership with the BBMP, she manages to remove 3500KG of dry waste per day. She has created employment for 88 individuals, providing benefits such as free breakfast, lunch and tuition services for their dependents. Through her efforts, Bangalore is a cleaner and a better place and waste management has become a more dignified occupation.

It takes absolute Strength and courage to make INDUMATHI what she is today. She is a former waste picker but was never ashamed of what she does. She always wanted to do something more to change the lives of the dry waste collector and that hunger never kept her away from striving hard and that result in what she is today; today she provides employment to 88 others. She creates awareness about waste segregation and with the partnership with BBMP she manages to eliminate 3500 KG of dry waste daily that makes significant difference and a better place to live health.

### KEYNOTE SPEAKER

#### **DR.GEETHA RAMANUJAM – Founder and Academic Director, GR Educational Institutions**

Dr. Geetha Ramanujam is a powerful public speaker and promoter of spiritual counseling. Her service to education by establishing an Educational Institution on Guru Kula Philosophy is highly noted. She emboldens the confident and encouragement to do social works in the audience. Her main motive was to educate girls especially in rural areas which is seen till today and works for eradicating it. She gave an enliven example of women empowerment and women education on sulekere in Nagamangala and further narrated, The story goes that the woman was courtesan with the local chieftain who lived in that village and when the village faced a lot of water scarcity, its widely believed that she sacrificed herself for the lake just because no other person in the village have thirst to have water. Dr. Geetha believes that this is what defines selflessness and encouraged us to be challenging, to face conflicts, to have controversy and yet to stay firm.

Dr. Geetha Ramanujan quotes the great old saying of A.P.J. Abdul Kalam: “The dream you dream shouldn't let you sleep until it's fulfilled”.
