About the Institution

St. Anne's Degree College for Women was established in the year 2005 and administered by Society of Sisters of St. Anne-Madras with a vision "to provide humanizing and liberalizing education so as to form responsible citizens who in solidarity with others create a just society". The Foundress Servant of God Mother Thatipathri Gnanamma is a visionary and missionary who dedicated her life to enlighten and educate poor young girls in 1863 by starting an educational institution exclusively for girls. The Society of Sisters of St. Anne, Madras, has a long history of over 156 years in the field of education. The secret of the success in education is our proud historical legacy from where we derive our strength to face the challenges and grab the opportunities. Over the years, we have been marching ahead with new ventures and innovations in tune with the changing times.

The College is affiliated to Bengaluru City University and offers undergraduate programmes in Arts, Science, Computer Applications, Commerce and Management. It provides a vibrant student life, co-curricular and extracurricular activities and campus placement to the students which make this institution stand in par with the other institutions. Since a humble beginning in 2005, there has been no looking back and every year the college crosses new milestones. The College offers post-graduation programmes from 2017 onwards. In 2021 the college was accredited by the National Assessment and Accreditation Council with A Grade.

I am a Change Maker

➤ J.R. Satish Rajkumar – Corporate

Volvo group has a deep seated commitment to sustainability, Volvo energy is Volvo group's newest business area, dedicated to accelerating the Group's electrification and sustainability journey. Mr. Satish Rajkumar is instrumental in sustainable Development and the Goals of Volvo energy that were translated into a clean environment leading to less pollution and better health.

Mr. Satish Rajkumar discussed the strategy for development of VOLVO Energy built on 3 pillars: They are:

- Climate
- Resource
- People

Mr. Satish highlighted on the women empowerment and mentioned that 35% of women working in VOLVO should be a LEADER and shared the VOLVO ENERGY FOCUS AREAS, which are:

- Charging points
- Repurpose
- Extend the life of battery
- Containers etc

With all these inputs, Mr. Satish Rajkumar believes that as a team Sustainability can be achieved.

➤ Madhusudhan Shukla - Education

Mr. Madhusudhan designs environment awareness programmes from children in Thirthahalli and Agumbe-Rain forests in western ghat. Through the kalinga foundation, he has empowered children in to be eco ambassadors. He interacts with teachers and urban population too on environment conservation. His efforts are transforming the future Indian citizens to be sensitized about sustainable environment.

Shukla strongly believes in the fact that the more you learn about the nature, the more curiosity is built.

➤ Gousiya Sultana-Health

Ms. Gousiya works as the Anganwadi worker under the integrated child development services, Government of India, Neelasandra, Bangalore. She takes care of around 50 children and uses innovative techniques such as Whatsapp audio messages and video display in her Anganwadi to convey health and education related information to parents and children. Her work is impactful for children of India who are from underprivileged, minority and migrant background to attain holistic development.

GOUSIYA SULTANA is undoubtedly one of many generous and kind and selfless women who strives for the betterment of children education and gives a lot of importance to education. She

includes self-defense and more. Initially, she started the Anganwadi with 3 – 6 children with less amount of money in her hand, now she has an organization and gives education to many children. Her kind attitude of providing the basic need to the one who lack in it, and with the only intention of doing good to the needful for their future betterment is what inspires others.

GOUSIYA SULTANA strongly believes that when we give 100% of the work, the nature somehow returns it.

➤ **Indumathi - Social**

Ms. Indumathi is a former waste picker who worked in dry waste collection centre. Now she is an entrepreneur managing dry waste collection in 3 wards of Bangalore. She creates awareness about waste segregation and maintain liaison with residents. Through partnership with the BBMP, she manages to remove 3500KG of dry waste per day. She has created employment for 88 individuals, providing benefits such as free breakfast, lunch and tuition services for their dependents. Through her efforts, Bangalore is a cleaner and a better place and waste management has become a more dignified occupation.

It takes absolute Strength and courage to make INDUMATHI what she is today. She is a former waste picker but was never ashamed of what she does. She always wanted to do something more to change the lives of the dry waste collector and that hunger never kept her away from striving hard and that result in what she is today; today she provides employment to 88 others. She creates awareness about waste segregation and with the partnership with BBMP she manages to eliminate 3500 KG of dry waste daily that makes significant difference and a better place to live health.

KEYNOTE SPEAKER

DR.GEETHA RAMANUJAM – Founder and Academic Director, GR Educational Institutions

Dr. Geetha Ramanujam is a powerful public speaker and promoter of spiritual counseling. Her service to education by establishing an Educational Institution on Guru Kula Philosophy is highly noted. She emboldens the confident and encouragement to do social works in the audience. Her main motive was to educate girls especially in rural areas which is seen till today and works for eradicating it. She gave an enliven example of women empowerment and women education on sulekere in Nagamangala and further narrated, The story goes that the woman was courtesan with the local chieftain who lived in that village and when the village faced a lot of water scarcity, its widely believed that she sacrificed herself for the lake just because no other person in the village have thirst to have water. Dr. Geetha believes that this is what defines selflessness and encouraged us to be challenging, to face conflicts, to have controversy and yet to stay firm.

Dr. Geetha Ramanujan quotes the great old saying of A.P.J. Abdul Kalam: “The dream you dream shouldn't let you sleep until it's fulfilled”.

HANDLING STRESS AND TRAUMA IN CLASSROOM

A Workshop was organized by the PG department of Psychology with collaboration on the topic 'Handling Stress and Trauma in classroom'. A brief introduction was given by the Principal about the Speaker for the day.

The speaker Ms. Jacqueline D'souza, counsellor and trainer enlightened the faculties to understand stress and trauma in classroom amongst students.

The session aimed to explore the issue of trauma among students in the classroom setting. Trauma can have a significant impact on a student's emotional well-being, academic performance, and overall development. Understanding and addressing trauma in the classroom is crucial for creating a supportive and conducive learning environment.

Students who have experienced trauma may exhibit a range of emotional responses, including anxiety, depression, fear, anger, irritability, or emotional withdrawal. These emotional difficulties can interfere with their ability to concentrate, engage in classroom activities, and form positive relationships with peers and teachers.

Trauma can significantly affect a student's academic performance. Difficulties with attention, memory, and concentration may impede their ability to focus on classroom tasks, leading to learning difficulties and decreased academic achievement. Additionally, students may have irregular attendance patterns or exhibit disruptive behaviors as a result of trauma-related stress.

Traumatized students often face challenges in establishing and maintaining healthy social connections. They may struggle with trust, display social withdrawal, or exhibit aggressive behavior. These difficulties can hinder their ability to collaborate with peers, participate in group activities, and engage in positive social interactions.

Educators play a crucial role in identifying and addressing trauma among students. It is essential to create a safe and supportive classroom environment where students feel comfortable expressing their emotions and seeking support. Educators should be trained in recognizing trauma-related behaviors and implementing appropriate interventions.

Building positive relationships with students can provide a foundation of trust and understanding. Teachers can establish open lines of communication, demonstrate empathy, and offer individualized support to traumatized students.

This can help create a sense of safety and belonging, promoting healing and resilience.

Trauma-informed practices involve modifying teaching strategies to accommodate the unique needs of traumatized students. These practices may include implementing sensory-based interventions, incorporating relaxation techniques, providing structured routines, and offering opportunities for self-expression through art, writing, or play therapy.

Collaborating with mental health professionals, such as school counselors or psychologists, can greatly enhance the support provided to traumatized students. These professionals can offer specialized interventions, individual counseling, and referrals to external resources when necessary.

Addressing trauma amongst students in the classroom is crucial for their well-being and academic success. By creating trauma-informed classrooms, educators can foster a supportive environment that promotes healing, resilience, and positive development. Recognizing the impact of trauma, providing appropriate interventions, and collaborating with mental health professionals can contribute to the overall well-being of traumatized students and help them thrive academically and emotionally.

SIX DAYS STUDENT RESEARCH PROGRAMME

Organized by

RESEARCH FORUM

In collaboration with IQAC

A six days student Research program was organized by the Research Forum in collaboration with IQAC on 19.06.2023 at 1:45pm in the AV hall. An Inaugural program was organized in which the guest of honor was Rev. Sr. Dr. Margaret Fathima Mary, Secretary of St. Annes Degree college for women. The Chief Guest was Prof. Veena Kumari, the Principal of St. Annes Evening college and was presided by Prof. Nisha Joseph, Principal of St. Annes Degree college for women.

DAY 1 (19.06.2023) - After the completion of the Inaugural, A session on How to choose a Research topic by Prof. Veena Kumari was conducted from 2:00pm to 3:00pm. She gave an insight on selecting an appropriate and engaging research topic and how it is crucial for any researcher. It forms the foundation of the study and determines the direction and impact of your research. In this session, she explained the effective strategies and considerations to help navigate through the process of selecting a research topic. By the end of the session, the students had a clear understanding of how to choose a research topic that aligns with their interests, expertise, and contributes to the existing body of knowledge.

DAY 2 (20.06.2023) - A session on How to frame a research objective By Rev. Sr. Kulandai Yesu was conducted from 2:00pm to 3:00pm. She explained on how a research objective plays a crucial role in guiding the entire research process, from defining the scope of the study to formulating research questions and selecting appropriate methodologies. By following the step-by-step process outlined in the session, researchers can effectively frame their research objectives, leading to focused and meaningful studies. The session covered key considerations, provided practical tips, and offers illustrative examples to assist researchers in formulating clear and concise research objectives.

By following the guidelines presented in the session, researchers will be equipped with the necessary knowledge and tools to effectively frame their research objectives. A well-crafted research objective ensures that the research process remains focused, coherent, and aligned with the overall research goals.

DAY 3 (21.06.2023)- A session on Review of Literature by Prof. Nisha Joseph was conducted from 2:00pm to 3:00pm. She gave an insight on how literature review is an essential component of any research study, providing a comprehensive overview and analysis of existing scholarly works relevant to the research topic.

She highlighted the importance of how conducting a literature review is a critical step in the research process, enabling researchers to situate their work within the broader academic landscape. By identifying existing knowledge, evaluating sources, and synthesizing information, researchers can establish the significance of their research and contribute to the advancement of knowledge in their respective fields. Adhering to the best practices outlined in this session will help ensure a rigorous and comprehensive literature review in research.

DAY 4 (22.06.2023)- A session on Sampling, Bibliography, Format of paper by Dr. K Venkatalakshmi was conducted from 2:00pm to 3:00pm. The session aimed to provide an overview of key considerations related to sampling, bibliography, and paper format in research papers. These aspects play crucial roles in ensuring the validity, reliability, and readability of research studies. Understanding and implementing appropriate sampling techniques, constructing an accurate bibliography, and adhering to proper formatting guidelines are essential for maintaining scholarly integrity and effectively communicating research findings.

DAY 5 (23.06.2023)- A session on Data types and introduction to statistical tests by Dr. Lily Regina Arthi Moses was conducted from 2:00pm to 3:00pm. She highlighted on the importance of understanding data types and employing appropriate statistical tests are crucial for analyzing and interpreting data. The session provided an overview of common data types encountered in statistical analysis and introduced some fundamental statistical tests used to draw meaningful conclusions from data.

DAY 6 (24.06.2023)- A session on Hands on training on SPSS (Lab session) by Dr. Anil Kumar was conducted from 11:15am to 12:15pm. Hands-on training on SPSS (Statistical Package for the Social Sciences) was a practical and interactive learning experience designed to equip students with the necessary skills to effectively utilize SPSS for data analysis.

The hands-on training on SPSS provided students with valuable practical skills and knowledge in using SPSS for data analysis. By covering essential topics and engaging participants in hands-on exercises, the training program successfully equipped them with the necessary tools to confidently navigate and utilize SPSS for statistical analysis. The outcomes of the training contribute to enhancing their data analysis capabilities and enable them to make informed decisions based on statistical insights gained from SPSS.

Outcome of the Programme:

- The research program laid a strong foundation to the students about the research methodology.
- It helped the students realize that Research outcomes may lead to discoveries with real world impacts.
- It helped the students to interact with peers, mentors and experts, expanding their professional connections.
- The students gained understanding on the importance of presenting their papers and publication process in order to boost their academic profile.
- Hands on Training and Personal experiences and barriers boosted the confidence of the students.
- The Research forum also created a platform for all the students to showcase their research knowledge by presenting their papers.

Suggestions:

- ✚ The session to be held in the morning hours
- ✚ Some sessions required practicality but due to some inconvenience it wasn't performed. But overall, the sessions were interesting.
- ✚ No suggestions as everything was best according to our expectations
- ✚ The timings could have been kept in the morning... Since we attend the classes whole day... It was a bit tiring and got sleepy for few seconds... If the program was held morning with fresh mind... It would have made it much more interesting.
- ✚ Practical sessions like using a software or creating a research paper from scratch would be helpful
- ✚ Appreciated for the week of quality session. Requesting to conduct more & work on it
- ✚ 6 days Programme benefitted us a lot so, no suggestions
- ✚ Program was super good. I learnt a lot of things but it should have been but interactive

Feedback:

- ✚ We were happy about the knowledge imparted to us during the seminar.
- ✚ Got an idea how to prepare research paper, Methods to prepare paper and presentation techniques
- ✚ Gained confidence and knowledge.
- ✚ Learnt what is research and how to frame objectives.
- ✚ How to choose the topic and objectives?
- ✚ Gained knowledge about format of research paper and how to present it.
- ✚ Topic selection
Content of the paper and
Literature Review
- ✚ Learnt about building scientific innovation, Developing critical thinking and expansion of knowledge about research.

Suggestions:

- ⚡ Presentation time should have been more than 5 min.
- ⚡ The Organizing team should have considered 2nd and 3rd Prize for the best paper award.
- ⚡ Most of them are Suggested for time management.
- ⚡ The repetition of data collection should have been avoided.
- ⚡ We were happy about the knowledge imparted to us during the seminar
