Program Objectives

At the end of the course, the participants will be able to:

- Understand the teaching learning process
- Comprehend the characteristics of modern-day learners
- Use appropriate strategies to motivate students
- Write Instructional objectives
- Use appropriate Instructional methods and media
- Acquire competencies of teaching through micro teaching
- Use appropriate evaluation tools to assess students
- Provide effective method of transacting/disseminating knowledge to the learners

Enhance essential competencies, skills and attitudes to face the daily academic challenges

Brief summary of the program

Day 01 (16-09-2022)

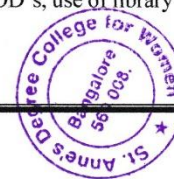

Module-1: Role and responsibilities of Faculty / Academics in Higher Education

Module 1 presented by Professor Nisha, Principal. During this session, she explained and encouraged faculty about their role and the college contribution to the field of higher education. First, she shared about the college history and organizational and management milestones. It provides an effective method to impart knowledge to teachers. She spoke with teachers about professional training aimed at enhancing their required skills, abilities and attitudes. She emphasizes that university can help create leadership in all areas. She describes the academic and non-academic roles of university teachers. She mentioned the importance of human values and the importance of spirituality and medicine in our daily lives, which will inspire and help teachers to develop patience to manage the community. She explains to faculty members about current challenges and opportunities to involve higher education in the classroom on a daily basis. She also describes NAAC, ISO, 12(B) UGC under Section 2(f), College Accreditation.

Day 02 (17-09-2022)

Module-2: University Structure and Functioning, Curriculum Design and Content Development

This session was shared by Professor Nisha, Principal. In her speech she discussed about the university structure and functioning, introduced all the departments with the HOD's, use of library

ST. ANNE'S DEGREE COLLEGE FOR WOMEN

facilities, Ins and outs of the college structure and functioning and components of curriculum, considerations for designing curriculum. She mentioned the need of development in curriculum. She discussed how to frame curricular objectives and organization content with appropriate learning resources, Pedagogical principles and course integrating and interlinking courses. She also mentioned about the outcome-based education and how it is used to improve the traditional education methods. She also gave idea on choice-based credit system with its opportunities and challenges of implementation comparison to annual and semester-based system. In this she mentioned about the types of courses offered by NEP and evaluation pattern of NEP.

Day 03 (19-09-2022)

Module-3: Pedagogic Techniques & Teaching and Learning Methods

This session was taken by Professor Nisha, Principal. She started her speech by giving brief ideas regarding the learning presentations and system. In her address she mainly conversed about the Learning Management system, Perspective and Perseverance learning, multimedia based interactive tutorial, web-based lectures, e-books, virtual class, open educational resources delivered over network based electronic devices. She also discussed on educational resources as NPTEL- Swayam, MOOCs, Mobile apps, etc., she emphasized on sensitive issues in e-content development which need direct attention and resolution, like factual accuracy and compliance, resources for information etc.,

Day 04 (20-09-2022)

Module-4: Assessment and Evaluation

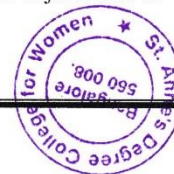

This session was taken by Professor Nisha, Principal. In her speech, she motivated faculty to understand the field of education. She mentioned the role, proper use and combination of technology in the classroom. She emphasized educational strategies, referring to teacher-centered and student-centered strengths and limitations of each. She explained her plans for the lessons, basic ideas, logic, different methods, skills, and techniques to create her plans for the lessons. She mentioned effective classrooms with time management, use of humor in the classroom, balance between solidity and friendliness, multicultural classrooms, and inclusive education. She discussed learning concepts, learning perspectives. She also argued that faculty understands students, their needs, and how to guide student groups. She concluded her speech by explaining how students are measured and evaluated in their learning outcomes.

Day 05 (21-09-2022)

Module-5: Personal-Emotional Development and Counseling

ICT: effective use of technology for teaching, learning and evaluation

This section was presented by Professor Nisha, Principal. She begins her talk about the personality development of faculty members with specific behavioral tendencies. She said lecturers need to understand themselves and their colleagues, which will help the working environment become more creative and organized. She explains the necessity of understanding the student community such as students' socioeconomic status, students' thinking and learning abilities. She also discusses how to make academic, cultural, financial, emotional, social, and intellectual adjustments to

develop their self-regulating behaviors. She emphasizes that faculty members understand student stress and its impact to varying degrees. She has shared many ideas with faculty on how to reduce stress and balance their family and teaching careers. She has trained instructors in student counseling and what are all the strategies to use during the counseling process to better tailor the individual and the class.

Day 06 (22-09-2022)

Module-6: University Governance and administration

This section was presented by Professor Nisha, Principal. She gave inputs on the university functioning and vision and mission of the BCU, and also said about the knowledge for all while actively promoting access, affordability, equity, and inclusiveness and foster a vibrant culture by facilitating an open exchange of knowledge and ideas among academia, government, industry, community, and society.

Day 07(23-09-2022)

Module-7: Academic Leadership

Professor Nisha, Principal, spoke about the leadership, she insisted faculty members to understand the dynamics of academic leadership through qualities through excellent communication skills, pro-activity, knowing when to take risks, resilience and passion for what they do.

The session ended with an interactive word builder game for faculty to highlight the outcome of the session.

Finally, the Faculty Induction Programme was ended with Vote of Thanks by Ms. Sangita, IQAC Coordinator and Assistant Professor.

INTERNAL QUALITY ASSURANCE CELL Organised "One Week Faculty Induction Program"

Date: 16th September 2022 to 23rd September 2022

Feedback Evaluation Report

Induction Program was very useful for the new faculty for the year 2022. It gave us clear Understanding about the teaching learning methodologies and many other such as:

- Adapting the characteristics of modern day learners
- Use appropriate strategies to motivate students
- Write Instructional objectives
- Use appropriate Instructional methods and media
- Acquire competencies of teaching through micro teaching
- Use appropriate evaluation tools to assess students
- Provide effective method of transacting/disseminating knowledge to the learners
- Enhance essential competencies, skills and attitudes to face the daily academic challenges.

These are the learning's from the session which helped and inspired us to develop patience to manage the community. And also they briefed about current challenges and opportunities to involve higher education in the classroom on a daily basis.

Suggestions:

- The Session was very informative
- It helped us to motivate and to adopt learner centric approaches of teaching and classroom management
- Well organized and informative session

STUDENT ORIENTATION PROGRAMME

2022-2023

“The beauty thing about learning is that no one can take it away from you”- B.B. King

The Student Orientation programme for the newly admitted undergraduate students for the Academic Year 2022-2023 was organized by IQAC on **01st September 2022** in College Auditorium.

The main goal for orientation programme is aimed at the students to an unknown campus environment, its faculty and infrastructure. It enables them to make essential connection with studies and develop network among other peers.

Students were welcomed by a Prayer song by our college Choir to seeking the blessing from almighty and progressed by a folk dance by the senior students. The function was officially inaugurated by lighting the lamp by the dignitaries and thus by sharing the mission and core values of the college.

Our college secretary Rev. Sr. Dr. Margaret Fatima Mary delivered a Presidential address. In her message she gave an overview about our founders Mother Thatipathri Gnanamma who was a visionary leader with a mission to provide education to young women. She encourages the students to follow her values and empower themselves by sharing the life history of Mother Gnanamma to reach our motto –“Create a just society”.

Professor Nisha Joseph, Principal of our college addressed the students about the college infrastructure and facilities available for them. She also gave a presentation on the topic “Code of conduct” where she explains the history of the institution, the activities, milestone and programmes offered in the institution. She also introduced the faculty members of various departments. She concluded by wishing all the students to have a wonderful three years journey as Anneit's. She informed students about to follow rules and regulations of the college is mentioned in the college handbook.

An Ice break session was conducted to help students get to know each other which were well-facilitated by our principal. She made us bond very quickly so as to work towards a common

goal of developing ourselves both academically and non-academically. The session started with each student introducing oneself in a unique way, this not only made the activity fun but also helped us remember everyone's name.

A group dance was performed by students from department of commerce. Programme was followed by a presentation by our placement office Mr. Anil Kumar. He shared the importance of grit and passion and how one can combine it and use it to achieve respective goals and not to quit in between in the journey. He discussed perseverance and how one should remain dedicated towards goals till one reaches her final destination.

He shared details about placement of our college how it will conduct and how many have place and which companies are ready to requite our students. He provided the details of the value added program, training program conducted in our college. His speech has completely inspired the students to have a achievement and to reach their goal.

The Programme was ended with vote of thanks given by Ms. Mary Shaila Department of Science, Followed by National anthem (Sign language) by our Rehabilitation department and BBA students
