Hi Anil,

Following our recent conversation via telephone, please find attached the JD for the position of AR Executives.

Regarding the eligibility criteria for the AR Executives role, we maintain an inclusive approach, welcoming applications from candidates with non-life sciences backgrounds. The primary requisite for this role is a demonstrable proficiency in verbal communication and interpersonal skills. Throughout the multi-tiered interview process, we diligently assess candidates' aptitude in verbal English communication, cognitive capabilities, and overall thought process.

Kindly review the JD and let us know if you have any queries. We can plan a placement drive accordingly.
