REPORT ON ALUMNI TALK SERIES

Investment Banking and Experience in Corporate Life

Date: 27 January 2024

Resource Persons: Ms. Amulu P, Asst.manager at Infosys.

Venue: Auditorium

Objective: Insights into Investment Banking and Corporate Life Experience

The Department of Commerce in collaboration with IQAC organised an Alumni talk series by a B.com outgoing student Amulu P for students of First Year (2023-24). The session aimed to provide students with valuable insights into the field of investment banking and share Ms. Amulu's experiences in the corporate world.

The session began with an introduction to Investment in Banking, the interview skills and the experience in corporate life. Ms. Amulu P spoke about the importance of investment banking and strategies to set effective goals.

Ms. Amulu commenced the talk by sharing her personal journey from being a B.Com graduate to navigating the corporate landscape. She elaborated on the challenges and opportunities encountered during her transition and highlighted key milestones that shaped her career.

The core of Ms. Amulu's presentation focused on demystifying investment banking for the students and Interview skills. She provided a comprehensive overview of the role, functions, and significance of investment banking in the financial sector. Real-world examples and case studies were incorporated to illustrate the practical applications of concepts.

Ms. Amulu shared valuable insights into the skills and qualities that are crucial for success in the investment banking industry. Emphasizing the importance of analytical thinking, attention to detail, and effective communication, she provided practical advice on how students can develop and showcase these skills during their academic journey.

The talk extended beyond investment banking, delving into Ms. Amulu's experiences in corporate life. She discussed workplace dynamics, teamwork, and the importance of adaptability in a rapidly evolving professional environment. Practical tips on networking, continuous learning, and personal growth were also shared to guide students in their future careers.

The session concluded with an interactive Q&A segment, allowing students to engage directly with Ms. Amulu. Students posed questions about specific challenges in investment banking, sought advice on career planning, and gained valuable insights into the corporate culture at Infosys.

The Alumni Talk Series featuring Ms. Amulu P proved to be an enriching and informative session for B.Com first-year students at St. Anne's Degree College. The combination of personal experiences, insights into investment banking, and guidance on navigating corporate life provided students with a holistic perspective on their potential career paths. The interactive nature of the session facilitated direct interaction between the alumni and students, creating an atmosphere of inspiration and motivation. The event was well-received, leaving a lasting impact on students as they contemplate their own journeys into the world of finance and corporate professionalism.

“Alumni Talk”

Date : 25th May 2024

Venue: Auditorium

Time : 10:00 am to 12:00 pm

Topic : 5G Wireless Technology

The Department of Computer Application organized an Alumni Talk on “5 G Wireless Technology” in collaboration with IQAC on 25th May 2024 in Auditorium for the I, II and III BCA students from 10:00 am to 12:00 pm. Thirteen hundred and thirty-one students enthusiastically participated in the program and engaged with the speaker. The speaker for the session was Ms. Shree Krupa Raj N, Miller Knoll, as a Visualisation Specification Developer. Ms. Shree Krupa was a University Rank holder. The program's goal was to inspire current students to put more effort into their studies and graduate with distinction.

Ms. Marina B, HOD Department of Computer Applications, opened the ceremony by extending a warm welcome to the alumni.

The speaker Ms Shree Krupa Raj N discussed about 5G, the fifth generation of mobile network technology, which represents a major leap forward in connectivity, offering significantly higher speeds, reduced latency, and the capacity to connect a vast number of devices simultaneously. Further she discussed about the challenges for deployment of 5G, infrastructure costs, concerns about health and environmental impacts, and the need for robust security measures.

After the interaction with the students, the resource person was honoured with Memento as a token of appreciation to conclude the event.

The students had a very interactive and insightful session. The importance and basics of 5G are definitely intriguing, and it's great that the students had a chance to interact directly with our Alumni. Additionally, Ms. Shree Krupa
