Program Objective(s)

At the end of the course, the participants will be able to:

- Understand the teaching learning process
- Comprehend the characteristics of modern day learners
- Use appropriate strategies to motivate students
- Write Instructional objectives
- Use appropriate Instructional methods and media
- Acquire competencies of teaching through micro teaching
- Use appropriate evaluation tools to assess students
- Provide effective method of transacting/disseminating knowledge to the learners
- Enhance essential competencies, skills and attitudes to face the daily academic challenges

Brief summary of the program

- **Day 01 (20-09-2022)**

Module-1: Role and responsibilities of Faculty / Academics in Higher Education

This Module was presented by Professor Nisha, Principal. During this session, she explained and encouraged faculty about their role and the college contribution to the field of higher education. First, she shared about the college history and organizational and management milestones. It provides an effective method to impart knowledge to teachers. She spoke with teachers about professional training aimed at enhancing their required skills, abilities and attitudes. She emphasizes that university can help create leadership in all areas. She describes the academic and non-academic roles of university teachers. She mentioned the importance of human values and the importance of spirituality and medicine in our daily lives, which will inspire and help teachers to develop patience to manage the community. She explains to faculty members about current challenges and opportunities to involve higher education in the classroom on a daily basis. She also describes NAAC, ISO, 12(B) UGC under Section 2(f), College Accreditation.

- **Day 02 (21-09-2022)**

Module-2: University Structure and Functioning, Curriculum Design and Content Development

This session was shared by Professor Nisha, Principal. In her speech she discussed about the university structure and functioning, Introduced all the departments with the HOD's, use of library facilities, Ins and outs of the college structure and functioning and components of curriculum, considerations for designing curriculum. She mentioned the need of development in curriculum. She discussed how to frame curricular objectives and organization content with

appropriate learning resources, Pedagogical principles and course integrating and interlinking courses. She also mentioned about the outcome-based education and how it is used to improve the traditional education methods. She also gave idea on choice based credit system with its opportunities and challenges of implementation comparison to annual and semester-based system. In this she mentioned about the types of courses offered by NEP and evaluation pattern of NEP.

- **Day 03 (22-09-2022)**

Module-3: Pedagogic Techniques & Teaching and Learning Methods

This session was taken by Professor Nisha, Principal. She started her speech by giving brief ideas regarding the learning presentations and system. In her address she mainly conversed about the Learning Management system, Perspective and Perseverance learning, multimedia based interactive tutorial, web based lectures, e-books, virtual class, open educational resources delivered over network based electronic devices. She also discussed on educational resources as NPTEL- Swayam, MOOCs, Mobile apps, etc., she emphasized on sensitive issues in e-content development which need direct attention and resolution, like factual accuracy and compliance, resources for information etc.,

- **Day 04 (23-09-2022)**

Module-4: Assessment and Evaluation

ICT: effective use of technology for teaching, learning and evaluation

This session was taken by Professor Nisha, Principal. In her speech, she motivated faculty to understand the field of education. She mentioned the role, proper use and combination of technology in the classroom. She emphasized educational strategies, referring to teacher-centered and student-centered strengths and limitations of each. She explained her plans for the lessons, basic ideas, logic, different methods, skills, and techniques to create her plans for the lessons. She mentioned effective classrooms with time management, use of humor in the classroom, balance between solidity and friendliness, multicultural classrooms, and inclusive education. She discussed learning concepts, learning perspectives. She also argued that faculty understands students, their needs, and how to guide student groups. She concluded her speech by explaining how students are measured and evaluated in their learning outcomes.

- Day 05 (25-09-2022)

Module-5: Personal-Emotional Development and Counseling

This section was presented by Professor Nisha, Principal. She begins her talk about the personality development of faculty members with specific behavioral tendencies. She said lecturers need to understand themselves and their colleagues, which will help the working environment become more creative and organized. She explains the necessity of understanding the student community such as students' socioeconomic status, students' thinking and learning abilities. She also discusses how to make academic, cultural, financial, emotional, social, and intellectual adjustments to develop their self-regulating behaviors. She emphasizes that faculty members understand student stress and its impact to varying degrees. She has shared many ideas with faculty on how to reduce stress and balance their family and teaching careers. She has trained instructors in student counseling and what are all the strategies to use during the counseling process to better tailor the individual and the class.

- Day 06 (26-09-2022)

Module-6: University Governance and administration

This section was presented by Professor Nisha, Principal. She gave inputs on the university functioning and vision and mission of the BCU, and also said about the knowledge for all while actively promoting access, affordability, equity, and inclusiveness and foster a vibrant culture by facilitating an open exchange of knowledge and ideas among academia, government, industry, community, and society.

- Day 07 (27-09-2022)

Module-7: Academic Leadership

Professor Nisha, Principal, spoke about the leadership, She insisted faculty members to understand the dynamics of academic leadership through qualities through excellent communication skills, pro-activity, knowing when to take risks, resilience and passion for what they do. The session ended with an interactive word builder game for faculty to highlight the outcome of the session.

Finally the Faculty Induction Programme was ended with Vote of Thanks by Ms. Sangita, IQAC Coordinator and Assistant Professor.

Day - 3: 14th July 2023

The third day of the orientation program, 14th July 2023, started with a Mime, performed by St. Anne's hospital team followed by a special lecture on "Menstrual Health and Hygiene" by **Rev. Sr. Dr. Mary** which was organized by Health Club in collaboration with Red Cross cell and IQAC. The resource Person, Dr. Mary, SSAM, speaking on the occasion said, the health does not mean only the physical health but it also includes the mental health too. The present time is too hectic and no one has time for the relaxation which makes a toll on the physical as well as the mental health. It is one's own responsibility to keep the physical and mental health. Sr. Mary has enumerated the importance of the healthy food and habits which keep our body and mind, fit and clean. The session also focused on how to maintain menstrual hygiene including usage and disposal of sanitary products, and emphasized the simple ways to maintain environmental hygiene in the college.

After that, **Ms. Swathi**, PG department of psychology, addressed the students on the topic "Self-Esteem". She said "It is our experience that effective people have a high level of confidence, self-esteem and self-awareness, and are also highly motivated. Most people need to deal with difficult and stressful situations at work, which lie at the edge of their comfort zone. So, Self-motivation is very important in our daily life. She explained the simple steps of self-motivation which lead to success. She explained how self-motivation is important for achieving success in work and personal life.

This was followed by a talk on "Importance of Nutrition" by **Ms. Daniela**. The speaker aimed at eliciting the role of various nutrients and food items in stress reduction and management. After this students were given a short break.

Next session was on 'Mental Well-Being' and the speaker was **Ms. Rose**, Department of Humanities. She stressed on the importance of mental health, its identification and maintenance. The Students were also briefed about different management strategies including counseling and rehabilitation.

The last session was given by **Ms. Monisha**, from Department of Rehabilitation. She spoke on "Stress Management". She explained how stress is a part of human life and explained the causes of stress and its effects on body and mind. She also explained in detail the strategies to manage stress effectively.
