### INTERNATIONAL DAY FOR THE ELIMINATION OF VIOLENCE AGAINST WOMEN PROGRAM ON 25/11/23

Date : 25-Nov-23

Event Name : Teredide Mane O Ba Atithi.

MereGharAaKeToDekho /Meet Us to Know Us is a nationwide initiative. It was launched on August 15 across 27 states and over 50,000 people participated in it by visiting families which were not of their religion / caste/ class/ region/ sexual orientation. In these visits, the lively discussions - over a cup of tea/ coffee - varied from each others' realities of life to human rights, science, arts, freedom and communal harmony.

Teredide Mane O Baa Atithi is the Karnataka chapter of this initiative. With individuals breaking personal barriers to communities collectively challenging prejudices, people have found deeper meaning in this action.

To continue with the spirit of coming together, Anti Sexual Harassment Cell planned to visit Stree Jagruti Samiti's co-founder Geeta Menon on 25-November-23 to celebrate the **International Day For The Elimination Against Violence**. 9 students along with Dr Neha Mantri and sister Kanika Mary attended the program.

### World suicide prevention day

**World Suicide Prevention Day (WSPD)** is an awareness day always observed on 10 September every year, in order to provide worldwide commitment and action to prevent suicides, with various activities around the world since 2003.

#### “Creating Hope Through Action”

Suicide is a major public health problem with far-reaching social, emotional and economic consequences. “Creating Hope Through Action” is the triennial theme for the World Suicide Prevention Day from 2021-2023. This theme serves as a powerful call to action and reminder that there is an alternative to suicide and that through our actions we can encourage hope and strengthen prevention. World Suicide Prevention Day (WSPD) was established in 2003 by the International Association for Suicide Prevention in conjunction with the World Health Organization (WHO). The 10 September each year aims to focus attention on the issue, reduces stigma and raises awareness among organizations, governments, and the public, giving a singular message that suicides are preventable.

### World Mental Health Day

World Mental Health Day 2023 is an opportunity for people and communities to unite behind the theme **'Mental health is a universal human right'** to improve knowledge, raise awareness and drive actions that promote and protect everyone's mental health as a universal human right.

Good mental health is vital to our overall health and well-being. Having a mental health condition should never be a reason to deprive a person of their human rights or to exclude them from decisions about their own health. Yet all over the world, people with mental health conditions continue to experience a wide range of human rights violations. WHO continues to work with its partners to ensure mental health is valued, promoted, and protected, and that urgent action is taken so that everyone can exercise their human rights and access the quality mental health care they need.
