MINUTES OF MEETING

Name of Department: Department of Computer Application

Date: 12-10-23

Time: 12:00 to 1:00

Venue: Staff Room

Agenda: National Conference 2023-2024

Members Present: Ms Marina B
Dr Neha Mantri
Ms Rekha R
Ms Pradeepa
Ms Ann Philip

Summary of Minutes:

National Conference Topic is finalized as "Computational Science and Its Applications" on 13th December 2023.

Chief Guest :

- Prof.Murlidhara BL
Professor & BOS Chairperson(UG & PG) Dept. of Computer Science,
BU & BCU
- Dr. Divakar D S
Scientist-D, Indian Mission Control Centre

ST. ANNE'S DEGREE COLLEGE FOR WOMEN

ABOUT THE INSTITUTION

To create a just society is the motto of the Society of the Sisters of St. Anne-Madras, a congregation established by Servant of God, Mother Thatipathri Gnanamma. St. Anne's Degree College for Women is a Catholic, self-financing institution affiliated to Bengaluru City University. The college had a humble beginning and today it offers six UG programmes and three PG programmes. It was accredited with 'A' Grade in the 2nd cycle of the National Assessment and Accreditation Council in 2021. During the academic year 2018-2019, the college received Permanent Affiliation from Bengaluru City University and UGC 2(f). The institution stands distinct in its approach towards education and teaching pedagogies. Various committees, cells and clubs are operational assisting students to hone her potential. The institution has a track record of students featuring in the University Rank list across the years. As the college grows and adapts to the needs of students, it continues to maintain its unique character and generate young women of conscience, compassion and competence. The college is certified with ISO: 9001:2015.

DEPARTMENT OF COMPUTER APPLICATIONS

The Department of Computer Application exists from 2007. The Department has interdisciplinary courses such as BCA, B.Sc (Physics, Computer Science), B.Sc (Maths, Computer Science). The department strives to enable students to explore new dimension in their discipline, research and innovation. The department have produced three University Rank holders and many centum scorers. The department offers value added courses and bridge courses. The department imparts the skill enhancement by encouraging the students to participate in the conferences, seminars, workshops, inter and intra-collegiate fests, sports, NSS and NCC.

OBJECTIVES OF THE CONFERENCE

- To identify the recent trends in Computational Science.
- Provides the platform for leading academicians, researchers, practitioners and students to interact, share and exchange their valuable ideas, innovations and researches in the field of computer science.
- It also creates a space for the student community to involve in research, interact with experts in the field of computer science.
- Computational Science is a main pillar of most present research, industrial and commercial activities and plays a unique role in exploiting innovative Information and Communication Technologies.

CALL FOR PAPERS

We invite authors to contribute to the conference by submitting original, unpublished research papers that illustrate research objective, methodologies, algorithms, results, surveys/reviews, that describes the importance and applications in the field of Computer Application in following areas:

| | |
|---------------------------|---------------------|
| Data Mining | Neural Networks |
| Cyber Security | Swarm Intelligence |
| Block Chain Technology | Internet of Things |
| Machine Learning | Fuzzy Logic Systems |
| Genetic Algorithms | Cryptography |
| Computational Mathematics | Business Analytics |
| Soft Computing | Chat GPT |
| Mobile Satellite Networks | 5G Communication |
| Information Security | Nano Technology |
| Big Data Analysis | Complexity Theory |

*Best paper will be awarded

SUBMISSION GUIDELINES

- Research papers submitted should not be previously published.
- Selected and presented papers will be published with **UGC CARE JOURNAL** based on the interest of the author.
- Word limit for abstract 200-250 words and maximum of 4000 words for full length paper.
- Text should be written in A4 size, Times New Roman, Font size 12 with 1.5 line spacing, Reference style should be APA 6th or 7th edition.
- On acceptance of the abstract, full paper to be submitted online.
- Authors should take responsibility for issues related to plagiarism (Must be less than 10%).
- Abstract and full length paper should be submitted through Email: annesconference23@gmail.com
- Only the research articles accepted and presented during the conference will be considered for publication.
- Registration will be confirmed only after the payment of Registration fee.
- Payment screenshot should be shown at the registration desk on the day of the conference.

Note: On-spot registration is allowed on request basis.

IMPORTANT DATES

| | |
|--|------------|
| Abstract submission | 06.11.2023 |
| Submission of Research Article | 20.11.2023 |
| Notification of acceptance of Research Paper | 27.11.2023 |
| Last date for participant registration | 09.12.2023 |
| Conference date | 13.12.2023 |

GENERAL GUIDELINES

- Certificates will be issued only for the registered participants attending the conference.
- Co-Authors who wish to have individual certificates should register separately.
- Virtual paper presentation is allowed only for participants from different districts and states.

DEPARTMENT OF COMPUTER APPLICATION

NATIONAL CONFERENCE

on

“COMPUTATIONAL SCIENCE AND ITS APPLICATION”

Computational Science is a main pillar of most recent research, industrial and commercial activities and plays a unique role in exploiting innovative information and communication technologies.

The Department of Computer Application organized National Conference on “**Computational Science and Its Applications**” in collaboration with IQAC on 13th December 2023.

The conference intended to explore pathways to address current technologies in Computational Science by empowering learners with new skills, knowledge and attitude in various fields of science.

The Conference Brochure and the invitation were distributed through online and offline mode. It is indeed a proud moment to inform that there were 124 enthusiastic participants and 61 presenters for the conference from 16 colleges of the country.

The dignitaries of the conference **Rev. Sr. Margaret Julie**, Former Secretary of St. Anne's Degree College, the Chief guest Prof. Dr. **Muralidhara**, Senior Professor, Department of Computer Science, BU and BCU, the Keynote speaker **Dr. Divakar** – the technical speaker, Scientist-D, Indian Mission Control center, **Rev. Sr. Dr. Margaret Fatima Mary**, Secretary of the College, **Prof. Nisha Joseph**, Principal, and the sisters of the Congregation were given a laudable welcome to the venue of inauguration.

The inauguration started with a welcome dance followed by the auspicious lamp lighting ceremony by the dignitaries. Prof. Nisha Joseph welcomed the gathering.

Prof. Muralidhara gave the keynote address on Machine learning: Research Direction. The agenda of the keynote was:

- Learning types – where he discussed about Machine learning algorithms supervised, unsupervised, Semi supervised and reinforcement learning.
- Tweets – Samples like Dalit voice and his own tweet on BCCI was used to explain.

ST. ANNE'S DEGREE COLLEGE FOR WOMEN

Permanently Affiliated to Bengaluru City University
Recognized by UGC under Section 2(f), Accredited with 'A' Grade by NAAC
ISO 9001:2015 Certified Institution
#23, Cambridge Road, Halasuru, Bangalore- 560008

- Tweets Analysis –included hash tag with illustrations of negative and positive tweets

He highlighted that the context is important for a tweet. Characteristics of tweets and Analysis of tweets by considering and comparing the frequencies and sentiment training set was discussed. The process of tweet analysis was elaborated and a list of possible areas to explore was shared. The Keynote ended with a note that we need to train the machine for a particular context. Sir was quiet humble to answer the queries of the audience and offered to clarify any further queries through his research scholars. In his answer to the queries, he further imparted knowledge on convolution neural network and deep neural network.

Presidential address was given by Rev. Sr. Margaret Julie, Former Secretary, St. Anne's Degree College for women. Her address started with an encouragement to the conference which serves the intellectual and young minds. Through a story of Ayesha, she briefed about the important role of computational science in agriculture that impacted her life. Her talk also focused on the computational models that aim in personalized medicine and that it explores the possibility of life beyond our planet. She also said that computational advancement requires a collective attention to explore in the final. Her address concluded with a note of appreciation and encouragement to the institution.

Followed by the inauguration, the vote of thanks was delivered by Ms. Marina. B, Head, Department of Computer Application. The Photo session of the conference with the Keynote speaker, guests, delegates, academicians, research scholars and students were taken.

Technical session by Dr. Divakar D.S. started with a note that "Research innovation in St. Anne's College shall grow in an exponential way". He suggested faculty and students to achieve the standard to publish in Springer and Scopus. He inspired us with his thoughts "Dream big, achieve big" A fan of Dr. APJ Abdul kalam and member of the Azad Sat launch, Dr. Divakar D.S. gave a session on Nano satellite. The session elaborated on the introduction which included definition, motives and working. He briefed the importance of cost effectiveness of small components in comparison to Monolithic device and the working of sun stabilized. Sir, discussed about the technologies like chemical propulsion, miniaturized solid/liquid propellant and identifying the lost satellites through sun sensors.

Paper presentation sessions were held at different venues simultaneously. The auditorium venue was headed by Dr. Diwakar. There were totally 15 presenters in the auditorium venue. AV hall session was headed by Dr. Anil Kumar. There were 12 Presenters in the venue. PG classroom venue was headed by Dr. Neha Mantri. There were 10 Presenters in the venue. The valedictory session was headed by Dr. Veenakumari, Principal, St. Anne's Evening College. She addressed the gathering by congratulating the department for the resounding success of the conference. The summary of the

NATIONAL CONFERENCE

on

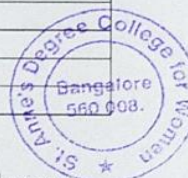

“COMPUTATIONAL SCIENCE AND ITS APPLICATIONS”

Registration Committee Report

For the academic year 2023-2024, a one-day national conference with the title “**Computational Science and Its Applications**” with various sub-themes was conducted on **13th December 2023**. Full time research scholars, faculty and students from different colleges had registered for the conference and actively took part. On conference day, the registration committee started registration from 8:45 am and closed at 12:30 pm.

The following were the registration charges:

| Particulars | Students | Faculty | Research scholar |
|------------------------|----------|---------|------------------|
| Participation | 200 | 700 | 500 |
| Paper Presentation | 500 | 1000 | 800 |
| Conference Proceedings | 750 | | |
| Publication | 3000 | | |

The total numbers of registered were 194, out of which

- 4 research scholar, 12 Faculty, and 51 students presented papers
- 6 Faculty and 118 students participated
- 1 Research scholar (in-absentia)
- 2 presented through online platform

Collection of registration fee was facilitated with two modes of payment (online and cash) at the registration counter. At the time of registration two presenters showed interest in publishing their papers in conference proceedings and one in journal.

- Online payment - Rs. 45900
 - Cash payment – Rs. 12950
- Total = Rs. 59150**

Suggestion

- 1) The seminar was excellently organized all well quipped technically.
- 2) Good Ambience with professional speakers
- 3) Had a good exposure and nice experience in taking part in the conference.
- 4) Highly motivated in the conference and brought in confidence to participate in upcoming conference.
