## ABOUT THE INSTITUTION

To create a just society is the motto of the Society of the Sisters of St. Anne-Madras, a congregation established by Servant of God, Mother Thotipathi Gnanamma. St. Anne's Degree College for Women is a Catholic, self-financing institution affiliated to Bengaluru City University. The college had a humble beginning and today it offers six UG programmes and three PG programmes. It was accredited with 'A' Grade in the 2nd cycle of the National Assessment and Accreditation Council in 2021. During the academic year 2018-2019, the college received Permanent Affiliation from Bengaluru City University and UGC 2(f). The institution stands distinct in its approach towards education and teaching pedagogies. Various committees, cells and clubs are operational assisting students to hone her potential. The institution has a track record of students featuring in the University Rank list across the years. As the college grows and adapts to the needs of students, it continues to maintain its unique character and generate young women of conscience, compassion and competence. The college is certified with ISO: 9001:2015.

## DEPARTMENT OF COMPUTER APPLICATIONS

The Department of Computer Application exists from 2007. The Department has Interdisciplinary courses such as BCA, B.Sc (Physics, Computer Science), B.Sc (Maths, Computer Science). The department strives to enable students to explore new dimension in their discipline, research and innovation. The department have produced three University Rank holders and many centum scorers. The department offers value added courses and bridge courses. The department imports the skill enhancement by encouraging the students to participate in the conferences, seminars, workshops, inter and intra-collegiate fests, sports, NSS and NCC.

## OBJECTIVES OF THE CONFERENCE

- To identify the recent trends in Computational Science.
- Provides the platform for leading academicians, researchers, practitioners and students to interact, share and exchange their valuable ideas, innovations and researches in the field of computer science.
- It also creates a space for the student community to involve in research, interact with experts in the field of computer science.
- Computational Science is a main pillar of most present research, industrial and commercial activities and plays a unique role in exploiting innovative Information and Communication Technologies.

## CALL FOR PAPERS

We invite authors to contribute to the conference by submitting original, unpublished research papers that illustrate research, objective, methodologies, algorithms, results, surveys/reviews, that describes the importance and applications in the field of Computer Application in following areas:

Data Mining	Neural Networks
Cyber Security	Swarm Intelligence
Block Chain Technology	Internet of Things
Machine Learning	Fuzzy Logic Systems
Genetic Algorithms	Cryptography
Computational Mathematics	Business Analytics
Soft Computing	Chat GPT
Mobile Satellite Networks	5G Communication
Information Security	Nano Technology
Big Data Analysis	Complexity Theory

\*Best paper will be awarded

## SUBMISSION GUIDELINES

- Research papers submitted should not be previously published.
  - Selected and presented papers will be published with UGC CARE JOURNAL based on the interest of the author.
  - Word limit for abstract 200-250 words and maximum of 4000 words for full length paper.
  - Text should be written in A4 size, Times New Roman, Font size 12 with 1.5 line spacing. Reference style should be APA 6th or 7th edition.
  - On acceptance of the abstract, full paper to be submitted online.

### DEPARTMENT OF COMPUTER APPLICATION

#### NATIONAL CONFERENCE

on

#### “COMPUTATIONAL SCIENCE AND ITS APPLICATION”

Computational Science is a main pillar of most recent research, industrial and commercial activities and plays a unique role in exploiting innovative information and communication technologies.

The Department of Computer Application organized National Conference on “**Computational Science and Its Applications**” in collaboration with IQAC on 13<sup>th</sup> December 2023.

The conference intended to explore pathways to address current technologies in Computational Science by empowering learners with new skills, knowledge and attitude in various fields of science.

The Conference Brochure and the invitation were distributed through online and offline mode. It is indeed a proud moment to inform that there were 124 enthusiastic participants and 61 presenters for the conference from 16 colleges of the country.

The dignitaries of the conference **Rev. Sr. Margaret Julie**, Former Secretary of St. Anne's Degree College, the Chief guest **Prof. Dr. Muralidhara**, Senior Professor, Department of Computer Science, BU and BCU, the Keynote speaker **Dr. Divakar** – the technical speaker, Scientist-D, Indian Mission Control center, **Rev. Sr. Dr. Margaret Fatima Mary**, Secretary of the College, **Prof. Nisha Joseph**, Principal, and the sisters of the Congregation were given a laudable welcome to the venue of inauguration.

The inauguration started with a welcome dance followed by the auspicious lamp lighting ceremony by the dignitaries. Prof. Nisha Joseph welcomed the gathering.

Prof. Muralidhara gave the keynote address on Machine learning: Research Direction. The agenda of the keynote was:

- Learning types – where he discussed about Machine learning algorithms, supervised, unsupervised, Semi supervised and reinforcement learning.
- Tweets – Samples like Dalit voice and his own tweet on BCCI was used to explain.

- Tweets Analysis –included hash tag with illustrations of negative and positive tweets

He highlighted that the context is important for a tweet. Characteristics of tweets and Analysis of tweets by considering and comparing the frequencies and sentiment training set was discussed. The process of tweet analysis was elaborated and a list of possible areas to explore was shared. The Keynote ended with a note that we need to train the machine for a particular context. Sir was quiet humble to answer the queries of the audience and offered to clarify any further queries through his research scholars. In his answer to the queries, he further imparted knowledge on convolution neural network and deep neural network.

Presidential address was given by Rev. Sr. Margaret Julie, Former Secretary, St. Anne's Degree College for women. Her address started with an encouragement to the conference which serves the intellectual and young minds. Through a story of Ayesha, she briefed about the important role of computational science in agriculture that impacted her life. Her talk also focused on the computational models that aim in personalized medicine and that it explores the possibility of life beyond our planet. She also said that computational advancement requires a collective attention to explore in the final. Her address concluded with a note of appreciation and encouragement to the institution.

Followed by the inauguration, the vote of thanks was delivered by Ms. Marina. B, Head, Department of Computer Application. The Photo session of the conference with the Keynote speaker, guests, delegates, academicians, research scholars and students were taken.

Technical session by Dr. Divakar D.S. started with a note that "Research innovation in St. Anne's College shall grow in an exponential way". He suggested faculty and students to achieve the standard to publish in Springer and Scopus. He inspired us with his thoughts "Dream big, achieve big". A fan of Dr. APJ Abdul kalam and member of the Azad Sat launch, Dr. Divakar D.S. gave a session on Nano satellite. The session elaborated on the introduction which included definition, motives and working. He briefed the importance of cost effectiveness of small components in comparison to Monolithic device and the working of sun stabilized. Sir, discussed about the technologies like chemical propulsion, miniaturized solid/liquid propellant and identifying the lost satellites through sun sensors.

Paper presentation sessions were held at different venues simultaneously. The auditorium venue was headed by Dr. Diwakar. There were totally 15 presenters in the auditorium venue. AV hall session was headed by Dr. Anil Kumar. There were 12 Presenters in the venue. PG classroom venue was headed by Dr. Neha Mantri. There were 10 Presenters in the venue. The valedictory session was headed by Dr. Veenakumari, Principal, St. Anne's Evening College. She addressed the gathering by congratulating the department for the resounding success of the conference. The summary of the

She has completed her PhD in Finance from Aligarh Muslim University. She is also qualified as a Cost and Management Accountant. She has cleared CMA with All India Rank of 46. Her strengths are her attitude to take challenges and her way of thinking that she takes both success and failure in a balanced manner. Her strength also comes with reading – she defines herself to be a voracious reader on different subjects.

### Highlights from the Session:

1. Entrepreneurship and Innovation: Understanding the meaning and symbiotic relationship between entrepreneurship and innovation.
2. Entrepreneurial Mindset: Cultivating traits such as creativity, resilience, adaptability, and willingness to take risks.
3. Innovation Process: Overview of the systematic approach to innovation, from ideation to implementation.
4. Types of Innovation: Exploring different forms of innovation, including product, process, and business model innovation.
5. Entrepreneurial Opportunities: Identifying market needs, technological advancements, and changing consumer preferences as potential entrepreneurial opportunities.
6. Entry Strategies: Strategies for entering the market, including organic growth, partnerships, and acquisitions.
7. Startup Methodology: Emphasizing rapid experimentation, iterative product development, and validated learning in startup ventures.
8. Design Thinking: Applying a human-centered approach to problem-solving, focusing on understanding user needs and preferences.
9. Funding and Resources: Discussion on various sources of funding and essential resources for startups.

Dear Ma'am,  
Greetings from the Department of Business Administration, St. Anne's Degree College for Women, Halasuru!  
Profound thanks for accepting our invitation to conduct an Intercollegiate Student Seminar on "Intellectual Property Rights" for students on 12th June Wednesday 2024.

At the outset, I would like to once again utilize this opportunity to introduce our institution. St. Anne's Degree College for Women at Halasuru, Bengaluru carries the proud tradition of the education ministry of Sisters of St. Anne's, Madras, that began in the 19<sup>th</sup> century. The college was firmly established in 2005 and has gained its popularity through quality education and significant progress in its contribution towards the society. It has shown tremendous growth over the years and offers programmes in undergraduate and postgraduate studies across various streams, for the young girls to face the society confidently.

You are requested to kindly conduct an Intercollegiate Student Seminar on "Intellectual Property Rights" between 10:00 am and 12:00 pm on 12th June Wednesday 2024.  
Do accept this as a formal invite for the session.

Thanks & Regards,  
Dr. Lily Regina Arthi Moses,  
Head, Department of Business Administration,  
St. Anne's Degree College for Women,  
Halasuru, Bengaluru

#### **REPORT**

<b>Title of the Program</b>	One Day Workshop for Faculty on IPR
<b>Date</b>	20-04-2024
<b>Coordinator</b>	Ms. Sangita
<b>Number of Beneficiaries</b>	46
<b>Resource Person</b>	Fr. Deva Dass D, LLB MCL, Administrator, Legal Department, Archdiocese of Bangalore

#### **Introduction:**

On 20th April 2024, the IQAC of St. Anne's Degree College for Women, Halasuru, hosted a one-day Workshop on Intellectual Property Rights (IPR). The program aimed to equip the faculty members with essential knowledge and skills in IPR, facilitated by the esteemed resource person, Fr. Deva Dass D, LLB MCL, Administrator, Legal Department, and Archdiocese of Bangalore.

#### **Inauguration:**

The program commenced with a lamp lighting ceremony, graced by the resource person Fr. Deva Dass D, Rev. Mother Dr. Margaret Fatima, Secretary, Prof. Nisha Joseph, Principal and IQAC Coordinator Ms. Sangita. This symbolic gesture marked the beginning of a journey towards enhancing academic excellence through the exploration of intellectual property rights. The Principal, Prof. Nisha Joseph, extended a warm welcome to the dignitaries and participants.

#### **Program Highlights:**

Fr. Deva Dass, a distinguished legal expert with vast experience in IPR, began the session with an enlightening discourse on the fundamentals of intellectual property laws. He elucidated the importance of patents, variants of IPR, copyrights, trademarks, and trade secrets in protecting creative works and innovations in academic settings.

The program encompassed an expert lecture followed by interactive session, providing participants with practical insights into patent drafting, copyright protection, and commercialization strategies. Fr. Deva Dass shared his expertise in navigating the complexities of patent filing procedures and elucidated ethical considerations in academic research.

Participants engaged in discussions, fostering a deeper understanding of IPR concepts and their applications in research and innovation.

## Conclusion:

The Faculty Development Programme on Intellectual Property Rights, led by Fr. Deva Dass, proved to be a transformative experience for the faculty members of St. Anne's Degree College for Women, Halasuru. The insights gained from the program will undoubtedly empower the faculty to navigate the dynamic landscape of intellectual property management with confidence and competence.

Gratitude was extended to Fr. Deva Dass for his invaluable contributions and guidance throughout the program. Special thanks were expressed to Rev. Sr. Dr. Margaret Fatima, Secretary, Principal Prof. Nisha Joseph, and IQAC Coordinator Ms. Sangita for their unwavering support and encouragement by Asst. Prof. Madhu T during the vote of thanks.
