**Provide observation / suggestions to improve the overall teaching – learning experience in your institution.**

The observation and suggestion to improve the teaching learning process in our institution is as follows.

- The teachers are always motivating and helping.
- We are satisfied with the institutions.
- Progressive institution in every aspect.
- I can see overall progress and development in this institution my experience towards this college is fully satisfied up to the mark.
- I thoroughly enjoyed my learning experience at the institution. The engaging lessons and supportive environment fostered my growth, making the educational journey both enriching and rewarding.
- Teachers can use more of technology in teaching
- Management is very cooperative encouraging our best talent. Also they exposed us to new different opportunities and scope of learning outside the college.
- Using projector to explain can be more effective Make teaching a two way interaction Giving more related examples while teaching can be helpful.
- It would be great learning experience to students if more internships are provided.
- Give more knowledge on projects, conduct regular activities and reduce presentations.
- Appreciating the different learning styles of students would be very helpful to improve their interest. The institute can continue its current efforts, which are commendable.
